Agenda for Action, Private Sector Initiatives for Youth Career Development United States. Department of Commerce, 1976

Financially Smart Career Planning For Teens P. D. Mason, 2023-06-05 Plan for your dream career and take control of your future without going into debt Are you a High School or Secondary School student worried about upcoming college and career planning decisions Are you at that point in your life where you have to make a choice about your future Have you been told repeatedly that going to college is the only way to ensure career success Have all those student loan horror stories made you wary of going into debt for an education Graduating from high school should be an exciting time You re finally done with this chapter in your life and are ready to take on new and more challenging opportunities as you move toward adulthood and independence But it s also a time when you feel the pressure to make a decision pick a major choose a school figure out your career path With so many options to choose from this can be a paralyzing process Choosing one option may mean you re closing the door to better ones What if you make the wrong choice Even more with the cost of college tuition averaging tens of thousands of dollars it may seem like you re doomed to start your career already burdened by student debt Student debt is not only a financial burden you could be carrying around for the next 10 to 20 years It could also impede major life decisions and negatively affect your mental health and overall quality of life But the good news is a college degree and student debt aren t your only options You can still get access to valuable training and practical experience that will set you up for a flourishing career without having to enter your working life in Major College Debt It s all in this information packed handbook filled with practical advice and information from an expert

who chose an alternative educational path and found great success and security Here s just a fraction of what you ll discover from this book Everything you need to know about the education path that is just as good as traditional college or even better but no one seems to talk about it Questions you should be asking yourself and prospective employers to figure out the career that s best for you Why you should be thinking of retirement as early as now and what that has to do with your career plans The art of job shadowing gain an insight into the inner workings of a job that you won t get through research alone A deeper look into the costs of education so you have an idea of what expenses to expect beyond tuition fees The traditional vs an alternative route an in depth comparison of college and vocational school including the training and career opportunities each provides In demand and lucrative jobs that don t require a college degree you could be earning great yearly income sooner and you won t have to rack up student debt Expert information tailored for young adult students in the US UK and Canada And so much more Figuring out what you want to do after high school is one of the biggest and scariest decisions you ll ever have to make but with the right information you can take control of your future and make these important decisions with greater confidence Forge your own path in life and don t let anything or anyone stop you from creating the future you want for yourself The first step to your success story starts today Start thinking about your future today Scroll up and click Add to Cart right now

Resources in Education ,1993-10 **Ultimate Guide to Career Planning for Teens** Ella Bradley,2023-10-04 **Career Planning for Teens** Seth Hicks,2022-09-12 Planning for a Successful Career Starts Here Have you ever felt overwhelmed by the pressure of choosing the right career Are you tired of constantly worrying about your future Are you looking for a way to take a leap and enter the career path of your choice If the answer to these questions is yes you may want to continue reading this ultimate guide on planning your career path as a teenager Career Planning for Teens will help you turn your passion into a reliable strategy for getting your dream job Most students start thinking about their careers and what they want to do in life toward the end of High school Even though it s never too late doesn t it sound better to have a secure plan for your future when you are 14 or 15 In this book you ll discover How to start thinking about the careers you might want in the future By assessing and determining your interests skills and values you will better understand your motivations and aspirations How to narrow down your options Learn how to narrow your choices down even further by discovering what types of careers are available so you ll have a better idea of where to start Step by step guide on how to choose the right career path Learn how to identify and filter career options that are not in demand or are not suitable to your set of skills How to create a roadmap to achieve your career related goals Learn how to make a plan of needed education and skills required for your chosen career and how to pursue them This book will help you start on this existing journey in your life It doesn t matter if you re entering or continuing your teenage years or if you don t know precisely what you want to do in life Career Planning for Teens will answer all your questions Are you ready to take the next step toward your dream career Scroll up click Buy Now and grab a copy today
