Japan and Beyond Rajib Shaw,Srabani Roy Choudhury,2024 Zusammenfassung Japan India relations have traversed from distantly friendly to indispensable partners The significant development of the India Japan strategic partnership the convergence of bilateral strategies and the addressing of broader economic relations and cultural dimensions signify that bilateral relations have entered a new era in Japan India relations Given the region s emerging geopolitics diplomatic relations between these two nations have gained momentum beyond the traditional pillars of engagement New dimensions namely human security environment disaster risk reduction climate change issues innovation and resilience building have gained currency Addressing these this book covers the broader aspects of human security dimensions of India Japan collaboration Involving multi and trans disciplinary research including in depth reviews and new data based on case studies from India and Japan this book sheds light on new convergence frontiers between these two nations Furthermore the book suggests specific policy and action measures to enhance human security through the bilateral cooperation between India and Japan which has a global impact *Japanese Cultural Nationalism* Roy Starrs,2021-10-01 Based on the premise that

Japanese cultural nationalism has been and is a major cultural historical force throughout the Asia Pacific this book has dual focus Part 1 explores Japanese literature philosophy education politics diplomacy music Part 2 extends Japanese role to Asia Pacific at large Part One explores significant and influential expressions of cultural nationalism in Japanese literature philosophy education politics diplomacy music and popular culture Part Two widens the focus to Asia Pacific at large and examines the role of Japanese cultural nationalist discourse in the island nation s relations with its regional neighbours China being the main focus Topics include Meiji racial theory the varieties of Japanese imperialist ideology nationalist attitudes towards China Kyoto School Sinology resistance to foreign yakozuna in sumo wrestling Style Shifting in Japanese Kimberly Jones,Tsuyoshi Ono,2008 This innovative and interdisciplinary book on style shifting in Japanese brings together a wide range of perspectives and methodologies including discourse analysis sociolinguistics cognitive linguistics and

functional linguistics to look at a variety of types of style shifting in both spoken and written Japanese discourse Though diverse in approach the contributions all reflect the belief that language use is inextricably linked to both context and language structure in mutually constitutive relationships Topics covered include shifting between polite and plain styles the emergence of a semi polite style speakers strategic use of gendered styles or regional dialects shifting between different deictic expressions and prosodic shifting This careful and detailed examination advances our understanding of the complex phenomenon of style shifting not only in Japanese but also more generally and will be of interest to researchers and students in fields such as linguistics linguistic anthropology communication studies and second language acquisition and teaching
