The Unsung Song Scott Alisaukas, 2020-12-22 It's a good thing you found this book when you did As it is written for you the person who loves music and lyrics and putting the two together to create beautiful works of art The book you are holding in your hands right now is one of the most dynamic expressions of the modern day poet otherwise known as a lyricist Herein lies not just words but words that captivate your senses catapult your imagination and palpitate sensations you never knew you had These lyrical twists and turns tell stories that make you laugh pull at your heartstrings push your imagination to the brim of existence and takes you on a journey to the center of your mind Listen as a whirlwind of characters come to life before your ears and eyes It's just another hungry day in our hometown of thieves begging the blind for some sweet sunshine All is lost if nothing's found She was a butterfly by day and a firefly by night Take me to your island before all my passion drowns I've been waiting for your lonely tides to capture seasons out of time Fold your gentle majesty into lone soliloquies There are also eighty songs inspired by Jim Morrison and fifty songs worth of lyrics inspired by Emily Dickinson and a tribute to others section Let these musical lyrical rhymes be your guiding light on your way toward shining your own light

**Body Count** SM Thomas, 2023-04-07 Widowed sounded better than divorced Or at least it did the first time Paige Hanson survived the crash What she barely survived was the State Now under constant surveillance whilst separated from her son Paige is coerced into developing a powerful serum designed to change the outcome of an escalating war between the State and the Dwellers Failure is not an option Refusal would cost lives But as secrets surrounding the accident resurface and betrayals begin to unravel Paige realises she has been manipulated from the very beginning The State believes they own her loyalty her intelligence and her silence They're wrong Body Count is a dark dystopian political thriller exploring government control bioengineering war strategy moral ambiguity and the devastating cost of revenge Perfect for readers of female led dystopian
