

## ZIMSEC O Level English Language Notes: How to write a summary

- ☞ Summary writing forms an integral part of the English paper 2 examination.
- ☞ It contributes a hefty 20% towards your final English Language grade which is pretty substantial.
- ☞ That makes it as important as the Guided English composition found in Section B of Paper 1 of the English Language Examination.
- ☞ It is a wonder therefore how most students (and a lot of teachers out there) tend to ignore the summary writing skill.
- ☞ The Paper 2 examination is all about comprehension (understanding) and the summary question reflects that.
- ☞ If you work on your summary writing skills there is no reason why you shouldn't get the entire 20 marks in the examination.

### Steps to writing a good summary.

#### Required skills and materials

- ☞ You will need to be fairly proficient with your English Language skills including reading and writing.
- ☞ Especially important are the following skills and topics: discourse markers, conjunctions, spelling and punctuation.
- ☞ You will need to bring a ruler and a pencil into the examination.

#### The steps

1. Read and understand the summary question a couple of times so as to make sure you are not missing anything important.
2. Pay attention to the instructions in the question (The English Language Examination is all about instructions).
3. Pay close attention to the *summary boundary* i.e. the portion of the passage from which you are supposed to draw the material you will use to write your summary. For example, a question might ask you to include only material from paragraph 9 to the end of paragraph 13. Take care to only include material from within the summary boundary. Including additional material even if it fits the criteria (see below) will not help you much as it will not be credited.
4. Determine the criteria that you are going to use to determine the material you are going to use. For example, if you are asked to summarise the writer's thoughts and actions after a certain event make sure you only include the material from after the said event.
5. Using your ruler and pencil underline the phrases that meet the criteria in the passage.
6. In most questions, you should be able to come up with about 15-25 phrases (points) that meet the criteria.
7. Once you are done underlining the phrases extract these phrases and list them in the order in which they appear in the passage.
