OPERATING SYSTEM CONCEPTS

Ninth Edition

International Student Version

The background of the cover is a prehistoric landscape at sunset. The sun is low on the left, casting a warm glow over the scene. In the foreground, two long-necked sauropod dinosaurs are standing near a body of water. In the background, there are rolling hills and a large, rocky outcrop on the right. Two pterosaurs are flying in the sky above the outcrop. The overall scene is rendered in a soft, painterly style.
