The Confessions:

The Confessions St. Augustine, 1998-12-29 God is our home but many of us have strayed from our native land The venerable authors of these Spiritual Classics are expert guides may we follow their directions home Archbishop Desmond Tutu Writing in the last years of the fourth century a d Saint Augustine of Hippo created what is at once the first true autobiography in Western literature and among the most sophisticated yet accessible theological arguments in the history of Christianity With extraordinary candor and psychological acumen Augustine recounts his passage from a life of sensuality Manichaeism superstition and empty careerism to a genuine spiritual awakening and he articulates views on marriage morality and faith that have shaped our discourse ever since The Confessions allows us to appreciate both the startling modernity of Augustine s insights and the imperishable poetry of his voice With a new Preface by MacArthur Fellow Patricia Hampl author of *Virgin Time* and *A Romantic Education* In the annals of spirituality certain books stand out both for their historical importance and for their continued relevance The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions with specially commissioned essays by noted contemporary commentators Filled with eloquence and fresh insight encouragement and solace Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind s relation to the divine The Confessions Saint Augustine (of Hippo), 1997 Presents an English translation of Saint Augustine s Confessions in which the fourth century bishop reflects on his faith and reveals his sins *The Confessions of St. Augustine* Augustine, 2008-04 In seventy six chapters he traces philosophy from the rise of Greek civilization to the emergence of logical analysis in the twentieth century The Confessions of St. Augustine Edward Bouverie Pusey, Saint Augustine, Thomas, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Confessions of a Princess** ,1908 **The Confessions** Saint Augustine (Bishop of Hippo.), 1876 *The Confessions of Jean Jacques Rousseau* Jean-Jacques Rousseau, 1901 **The confessions of Jean Jacques Rousseau, completely tr. without expurgation** Jean-Jacques Rousseau, 1896 **The Confessions of Jeremiah in Context** A.R. Pete Diamond, 1987-01-01 The Confessions of Jeremiah have generally been interpreted as isolated poems interspersed among prophetic oracles This book endeavours to read the Confessions in their present literary context Diamond argues persuasively that the more the Confessions are isolated from their setting in the book of Jeremiah the more opaque and indeterminate readings of them become When they are allowed to function in the context determined for them by

the editors of Jeremiah they promote the editorial valuation of the prophet's mission Israel's opposition to Jeremiah becomes the ground for a theodicy explaining the national disaster Restoring the Confessions to their context in the book finally enables the author to demonstrate that chapters 11-20 form an integrated literary complex *The Confessions of Saint Augustine* Saint Augustine (of Hippo), 1900 [The Confessions of Saint Augustine](#) E. The Confessions of Saint Augustine Saint Augustine,1996-09-01 The Confessions of St Augustine has a special place among the world's greatest books As Augustine reflects upon his life in the light of Scripture and the presence of God he reveals how you can find the way to rest securely in Jesus discern good from evil avoid false spiritual pursuits and know the will of God He begins with his infancy pondering the many sins of his life before his conversion and he confesses not only his sins but even more the greatness of God Here is the timeless conflict between good and evil portrayed through the life of one man who found spiritual growth and unshakable faith Just as Augustine did you can experience the unspeakable joy of being pure and righteous before God regardless of your past
