Autobiography of God Abhijit Naskar, Many of us experience the divine presence of God in our lives but what would happen if by some magical means we get to peek inside the mystical domain of this apparently supernatural consciousness What if God personally tells us how does he she it impact over our lives and our very existence What if this inexplicable divine entity tells us why and how does he she it feel so real to many of us Why do some people cause destruction in his her its name Why are we humans so fascinated with beliefs Why does the battle between believers and atheists never end Let s get inside God s head and visualize the world and ourselves from his her its perspective In this page turning scientific odyssey we get to explore every single biological corner of God s consciousness Illusion of Religion Abhijit Naskar,2017-06-18 The world needs the kind of religion that sets humanity free not the kind that binds it with textual fanaticism The world needs the kind of religion that humanizes the society not the kind that dehumanizes it One of twenty first century s most influential thinkers gives us a beautiful work of scientific philosophy where we get to rediscover the true humane essence of religion Here the celebrated Scientist Abhijit Naskar makes a glaring attempt to reinforce the faculties of rational thinking and acceptance in the psyche of the civilized society towards distinguishing the evils of religious fundamentalism from genuine religion In Illusion of Religion Naskar tears apart the veil of fundamentalism that has befallen the human society masking as religion and makes us recognize the true meaning of religion within our hearts beyond the bounds of textual fanaticism This is a treatise of biological sciences that reveals the neuropsychological dynamics of fundamentalist beliefs that have most successfully managed to present themselves as divinity Here Naskar unravels the path towards eradicating this medieval evil from our modern society He shows us the path of building a truly civilized and wise society where reasoning love and conscience triumph over all primitiveness *Krishna's Lineage* ,2019 Forming the final part of the Sanskrit Mahabharata the Harivamsha s main business is to supply narrative details about the great god Vishnu s avatar Krishna Vasudeva who has been a comparatively minor character in the previous parts of the Mahabharata despite having taken centre stage in the Bhagavad Gita Krishna is born in Mathura some 85 miles south of present day Delhi As an infant he is smuggled out of Mathura for his own safety He and his brother Baladeva grow up among cowherds in the forest where between them they perform many miraculous deeds and kill many dangerous demons before returning to Mathura

where they kill the evil King Kamsa and his cronies Thereafter Krishna is the hero and unofficial leader of his people the Yadava Vrishnis When Mathura is besieged by enemies Krishna leads his people to abandon the town and migrate west founding the dazzling new city of Dvaraka by the sea Krishna then repeatedly travels away from that base repeatedly to perform heroic deeds benefitting those in need including his own people his more immediate family and the gods After narrating the stories of Krishna the Harivamsha ends by finishing the story of Janamejaya with which the Mahabharata began The Harivamsha is a powerhouse of Hindu mythology and a classic of world literature It begins by contextualising Vishnu's appearance as Krishna in several ways in the process presenting a variety of cosmogonical cosmological genealogical mythological theological and karmalogical materials It then narrates Krishna's birth and adventures in detail Presenting a wide variety of exciting stories in a poetic register that makes extensive use of natural imagery the Harivamsha is a neglected literary gem and an ideal starting point for readers new to Indian literature

Bhagavad Gita (Black Classics), 2010-09-02 The Bhagavad Gita a scintillating jewel embedded in the great Sanskrit epic Mahabharata is a dialogue between Krishna and Arjuna set against the background of war At the beginning of the poem we learn that there is going to be a great war for the rule of a kingdom On the battlefield with armies of the Kuru clan ranged against each other Arjuna and Krishna explore the necessity of war and the nature of the human soul The eighteen chapters of the Bhagavad Gita encompass the whole spiritual struggle of a human soul and the central themes of this immortal poem arise from the symphonic vision of God in all things and of all things in God
