Chris Van Allsburg The Stranger:

The Stranger Chris Van Allsburg, Melanie H. Ross, 1986-05 **Teaching Evidence-Based Writing: Fiction** Leslie Blauman, 2016-09-19 One in a million Yes that s how rare it is to have so many write about reading strategies so beautifully put to use Each year Leslie Blauman guides her students to become highly skilled at supporting their thinking about texts and in Evidence Based Writing Fiction she shares her win win process Leslie combed the ELA standards and all her favorite books and built a lesson structure you can use in two ways with an entire text or with just the excerpts she s included in the book Addressing Evidence Character Theme Point of View Visuals Words and Structure each section includes Lessons you can use as teacher demonstrations or for guided practice with Best the Test tips on how to authentically teach the skills that show up on exams with the texts you teach Prompt Pages serve as handy references giving students the key questions to ask themselves as they read any text and consider how an author s meaning and structure combine Excerpts to Write About Pages feature carefully selected passages from novels short stories and picture books you already know and love and questions that require students to discover a text s literal and deeper meanings Write About Reading Templates scaffold students to think about a text efficiently by focusing on its critical literary elements or text structure demands and help them rehearse for more extensive responses Writing Tasks invite students to transform their notes into a more developed paragraph or essay with sufficiently challenging tasks geared for grades 6 8 And best of all your students gain a confidence in responding to complex texts and ideas that will serve them well in school on tests and in any situation when they are asked What are you basing that on Show me how you know **Guided Listening** Lisa Donohue, 2007 This comprehensive guide offers a framework for using read aloud and other oral language experiences to build reading comprehension skills and help students record share value and interpret ideas These organizational tools free students to listen more attentively organize their responses and watch for subtle clues such as body language that are an important part of listening The book is organized around common reading strategies including making inferences and predictions making connections visualizing asking questions and synthesizing Tools to complement these strategies include reproducible graphic organizers rubrics forms for recording student progress and numerous worksheets Making Sense Juli Kendall, Outey Khuon, 2005 Reading is all about understanding Many English language learners simply do not understand what they are reading whether it s a picture book a literature selection or a science textbook Juli Kendall and Outey Khuon believe that small group comprehension lessons have a key role to play in advancing students understanding of texts Making Sense provides answers to many common questions asked by teachers of English language learners How do we organize small group comprehension instruction How do we select books to teach strategies How do we know our kids are getting it and what do we do when they don t get it It is an easy to use practical resource for ELD ESL and ESOL pull out teachers and for push in teachers working in class to support English language learners The book s five main sections are geared to the stages of language proficiency

and lessons are divided into younger and older students spanning kindergarten through grade 8 The authors outline fifty two lessons that teach students how to make connections ask questions visualize make mental images infer determine importance and synthesize Each lesson follows a four part teaching framework Start Up Connection helping students build background and use prior knowledge to connect to the lesson Give Information explicitly telling students what they are going to learn and why they are learning it and then teaching them Active Involvement often occurs during the teaching as students practice what they are learning while the teacher checks for understanding and monitors and adjusts instruction Off You Go opportunities for students to practice what they learned with peers or independently Making Sense also explores the stages of language proficiency through descriptions of ten English language learners of different ages A chart of student characteristics for each stage shows how students demonstrate understanding and outlines the implications for planning instruction This book will appeal to experienced teachers seeking to expand their repertoire of lessons as well as new teachers just beginning the adventure of teaching comprehension to English language learners

Story Hour Jeri Kladder,2003-07-10 Story time at the public library is the first exposure to books outside the home for many preschool children For the librarian it is an exciting opportunity to instill in youngsters a love of reading and books But coming up with new ideas that hold the children s attention can be trying Until now Here are 55 tried and true story hour programs with a thematic approach All are highly flexible and adaptable across the full preschool age range Most of the ideas are arranged under one of eight specific themes that include four to eight one hour programs barnyard animals the Caldecott Medal colors families a storytelling feast the five senses reptiles and amphibians and around the world There are also 18 individual holiday and seasonal programs All story hours provide ideas for name tags suggested audiovisual materials recommended story poetry and song selections additional titles and a full description of the activity

The Important Books Joseph Stanton,2005-08-18 The Important Books takes a look at some of the most significant and talked about authors illustrators and titles in the genre including Maurice Sendak Margaret Wise Brown William Joyce and Chris Van Allsburg While focusing on those books that are distinguished by some degree of originality in both word and image the author points out that the importance of picture books is not primarily pedagogical they are not intended to serve as dumbed down versions of young adult or adult novels and the audience for these great books is not solely children Because the children s picture book is designed to provide the context for an intimate transaction involving the imaginations of both parent and child there is a social value to the form that lends a special poignancy to the pleasure it provides
