Strategic Management Jeffrey S. Harrison, 2003 From internal resources such as people, knowledge, and capital to relationships with external stakeholders such as customers and suppliers, *Strategic Management of Resources and Relationships* provides students with one realistic, comprehensive, and highly effective approach to strategic management. Students will learn how to use the resource-based view to develop competitive advantages through the acquisition, development, and management of resources. They will also learn how to use stakeholder theory to determine when firms should form partnerships, the form they should take, and how to manage them to enhance their resource position. The text's unique blend of the resource-based approach with stakeholder theory and other relevant theories and models helps students gain a complete, balanced understanding of the field.

Compensation Decision Making Frederick S. Hills, Thomas J. Bergmann, Vida Gulbinas Scarpello, 1994 This text equips students with a solid understanding of the theories, concepts, and principles behind compensation decision making. The new edition includes updated information about the detailed procedures used in implementation of compensation practices.

Career Management Jeffrey H. Greenhaus, Gerard A. Callanan, 1994 *Career Management* is designed to help students understand themselves and their careers, to develop the skills necessary to manage their careers effectively, and to act as a mentor or human resource manager helping other workers develop their own careers. Significant decisions regarding job search, career change, and a job's effect on the family and/or spouse's career are just some of the major career challenges addressed by the authors.

Entrepreneurship, 2009

Strategic Management Concise L. J. Bourgeois, Irene M. Duhaime, John Lawrence Stimpert, 2001 Integrating three primary themes, *Strategic Management*

Concise Edition emphasizes how managerial thinking influences strategy formulation and implementation the importance of change and the need to think dynamically about strategic management and the importance of organizational learning Integrating real world coverage throughout the text includes such important issues as problems associated with price competition the use of litigation as a competitive weapon the unique challenges of service businesses the limitations of boards of directors and much more
