Further, real-world examples and studies that introduce or expand upon a range of practical topics. 12 updated studies are supplemented by new cases related to reinsurance, central bank quantitative easing, and digital currency and payments. A comprehensive glossary containing key terms discussed in the book. Each chapter is accompanied by an overview and summary, illustrations, and tables, real-life case studies, and recommended readings. *Finance The Basics* is essential reading for anyone interested in the fascinating world of finance. **Foundations of Airline Finance** Bijan Vasigh, Zane C. Rowe, 2019-07-02 There are few industries that have had a more profound impact on business and society over the last century than aviation. This book is an accessible, up-to-date introduction to the current state of the aviation industry, which provides readers with the tools necessary to understand the volatile and often complicated nature of airline finance. Understanding finance is critical in any industry; however, the financial track record of the airline industry places even more importance on effective financial management. *Foundations of Airline Finance* provides an introduction to the basics of finance, including time value of money, the valuation of assets, and revenue management, and the particular intricacies of airline finance, where there can be wild fluctuations in both revenues and costs. The third edition of this text has been extensively updated to reflect the many changes in the air transport industry that have taken place since the publication of the second edition, and features an expanded chapter on aircraft leasing and many new international case examples. This thorough introduction to aviation finance is valuable reading as a general introductory financial text or as reading in specialized airline finance classes. **Study Guide to Essentials of Managerial Finance** John Fred Weston, 1971 **QFinance**, 2009-10-13 Compiled by more than 300 of the world's leading professionals, visionaries, writers, and educators, this is THE first stop reference resource and knowledge base for finance.
