Learn English Grammar Step By Step:

Easy English Grammar Step-by-Step Phyllis Dutwin,2014-01-03 You've come to the right place for a quick and effective way to learn grammar. Easy English Grammar Step by Step is based on the idea that the quickest route to learning this subject is building a solid foundation in the basics. You won't find a lot of pointless discussion; instead, you get an original step-by-step approach to improving your grammar with important concepts linked together by clear explanations, appropriate exercises, and helpful answers. The first steps introduce you to the fundamentals of correct grammar, allowing you to identify common mistakes almost immediately. Gradually, a series of interconnected steps takes you from simple to more challenging concepts at your own pace, with a variety of increasingly difficult exercises to practice what you've learned. After working through these exercises, you'll have a better grasp of the subject along with the knowledge and skills you need to master grammar with confidence. Easy English Grammar Step by Step features a unique building block approach to mastering grammar: Down-to-earth explanations of important concepts; Helpful notes to avoid common missteps; Exercises to help test what you've learned and measure progress. *Easy English Grammar Step-By-Step, Second Edition* Phyllis Dutwin, Jane R. Burstein, 2022-09-30 This step-by-step approach helps you learn the rules of grammar quickly and easily. The English language is full of rules, exceptions, and often confusing concepts, and for many students, English grammar is a difficult subject that only gets tougher as more concepts are learned. That's why *Easy English Grammar Step by Step, Second Edition* is so effective at helping you succeed where other resources and guides fail. Using an original step-by-step approach, this workbook provides a solid foundation in the basics, the fastest, easiest way to learn English grammar. You'll learn essential concepts and high-frequency skills in grammar proficiency first, allowing you to grasp the subject almost immediately. You'll then discover how these important concepts link together through clear explanations, level-appropriate exercises, and helpful worked-out problems. Learning the key concepts in order—e.g., learning what a complete sentence is before descriptive words and phrases, pronouns, and punctuation—ensures you'll get a solid foundation before you move on. Once you complete all the steps, you'll be able to approach English grammar rules, exceptions, and all with confidence. Stay-in-step pop-ups offer helpful advice and cautions against common errors. Step-it-up skill-building exercises link practice to the core steps already presented. Clear explanations break down concepts into easy-to-understand steps. Clear and concise explanations to the exercises and questions throughout the book.
