for a nice sweet polite monogamy oriented Beta male type for marriage once they reach the age of 30 Well the Beta male types are tired of this routine and they are now avoiding proposing to marriage to women who they perceive as Alpha male leftovers Beta males are now well aware that the vast majority of women want to spend time with Alpha males for sexual enjoyment and satisfaction They are also well aware that most women want to spend time with Beta males for platonic friendship financial favors and entertaining conversation The Beta Male Revolution is a brutally honest assessment of where we as a society have been where we are now and where we are headed regarding the state of dating long term romantic relationships marriage and monogamy vs promiscuity vs polyamory Women can also learn from this book because Currie explains just why men pursue some women for short term non monogamous casual sex only while they pursue other totally different women for long term romantic relationships and marriage Purchase this book right now and be educated and enlightened You are guaranteed to have a better understanding of the manner in which the mind of the opposite sex works and why men and women gravitate toward the type of romantic companions and sexual companions that they do after reading this book This book will be talked about for years to come
