Nagarya 1:

Bhārata Kī Janagaṇanā, 1991, 1994 *European Comics in English Translation* Randall William Scott, 2002 European comic authors produced a steady stream of comic material throughout the twentieth century but gained the world's notice in 1975 when the French magazine *Métal Hurlant* was founded. A new generation of artists and writers had begun. Soon publishers were producing translations of the new comics into other languages including English and comics creators everywhere were inspired to innovation. This is a reference work arranged by artist or writer to European comics from the last quarter of the twentieth century that have been translated from any European language into English. It contains a variety of material from the innocent imperialism of Herge's Tintin to the sadistic murder for hire in Bernet's Torpedo. Albums by a single creator or artist and writer team of European origin are the focus. Comics in periodicals and anthologies with multiple contributors are excluded. Each entry provides a plot abstract and various notes about the original comic. An author index provides brief biographical information. There is a comprehensive general index. **1961-1963** United Arab Republic. *Maslahat al-Āthār*, 1963 Census of India, 1991: Raigarh, 1994 Census of India, 1991: District census handbook, A, 1994 Calcutta Gazette Bengal (India), 1928 **West's federal reporter : cases argued and determined in the United States courts of appeals and Temporary Emergency Court of Appeals**, 1990 **THE INDIAN LISTENER** All India Radio (AIR), New Delhi, 1947-12-22 The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in English which was published beginning in July 16 of 1927. It was made a fortnightly again on July 1 1983. It used to serve the listener as a Bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them take part in them and produce them along with photographs of performing artists.
