Times Rudy Giuliani was hailed after 9 11 as America's Mayor a national hero who at the time was more widely admired than the pope He was brilliant accomplished and complicated He conflated politics with morality made reckless personal choices and engaged in self destructive behavior A series of disastrous decisions and cynical compromises coupled with his need for power money and attention gradually ruined his reputation cost him political support and ultimately damaged the country Kirtzman who was with Giuliani at the World Trade Center on 9 11 conducted hundreds of interviews to give us an insightful portrait of this polarizing figure from the beginning of his rise to his high profile role as Donald Trump's personal lawyer Giuliani was a celebrated prosecutor a transformative New York City mayor and a contender for the presidency But by the end of the Trump presidency he was reviled and ridiculed after a series of embarrassing errors and misjudgments He was a significant figure in both of Trump's impeachments and ended up widely ostracized facing both legal jeopardy and financial ruin This is the lively new biography The New Yorker of how it all began and how it came crashing down

High Crimes Michael D'Antonio, Peter Eisner, 2020-10-20 Two award winning journalists offer the most comprehensive inside story behind our most significant modern political drama the House impeachment of Donald Trump Having spent a year essentially embedded inside several House committees Michael D Antonio and Peter Eisner draw on many sources including key House leaders to expose the politicking playcalling and strategies debated backstage and to explain the Democrats successes and apparent public failures during the show itself High Crimes opens with Nancy Pelosi deciding the House should take up impeachment then in part one leaps back to explain what Ukraine was really all about not just Joe Biden and election interference but a money grab and oil In the second part the authors recount key meetings throughout the run up to the impeachment hearings including many of the heated confrontations between the Trump administration and House Democrats And the third part takes readers behind the scenes of those hearings showing why certain things happened the way they did for reasons that never came up in public In the end having illuminated every step of impeachment from the schemes that led Giuliani to the Ukraine in 2016 to Fiona Hill's rebuking the Republicans conspiracy theories High Crimes promises to be Trump's Final Days

Compromising Positions Leslie Dorrough Smith, 2020 Compromising Positions argues that political sex scandals aren't really about sex Rather they are a form of cultural theater moments of highly visible public storytelling that use racial and gendered symbols to create a collective sense of national worth and strength The book shows that Americans condemn or excuse the sexual indiscretions of their politicians depending on the degree to which those politicians reinforce longstanding evangelical symbols associated with American values and a Christian nation

The Grifter's Club Sarah Blaskey, Nicholas Nehamas, Caitlin Ostroff, Jay Weaver, 2020-08-04 An astonishing look inside the gilded gates of Mar a Lago the palatial resort where President Trump conducts government business with little regard for ethics security or even the law Donald Trump's opulent Palm Beach club Mar a Lago has thrummed with scandal since the earliest days of his presidency Long known for its famous and wealthy clientele the resort's guest list soon started filling with political operatives

and power seekers Meanwhile as Trump re branded Mar a Lago the Winter White House and began spending weekends there state business spilled out into full view of the club s members and vast sums of taxpayer money and political donations began flowing into its coffers and into the pockets of the president The Grifter s Club is a breakthrough account of the impropriety intrigue and absurdity that has been on display in the place where the president is at his most relaxed In these pages a team of prizewinning Miami Herald journalists reveal the activities and motivations of the strange array of charlatans and tycoons who populate its halls Some peddle influence some seek inside information and some just want to soak up the feeling of unfettered access to the world s most powerful leaders With the drama of an expose and the edgy humor of a Carl Hiaasen novel The Grifter s Club takes you behind the velvet ropes of this exclusive club and into its bizarre world of extravagance and scandal
