Topic: Ch 6 Japanese Invasion & Occupation

Answer the following questions on writing paper.

Source A An extract on the Japanese campaign in Malaya.

The Japanese had defeated the British in only 10 weeks. The main reason for the British defeat was that Britain was also tied up with the war in Europe and North Africa. She was fighting against Germany and Italy and could not afford to spread her resource in the Far East. Thinking that tanks were not suitable for jungle warfare, the British leaders in London did not supply them to Malaya while the Japanese came armed with 150 light tanks. The British also did not have enough anti-tank guns to counter the Japanese tank attacks.

Source B A Historian's account of what life was like for the POWs during the Japanese Occupation.

Working parties of prisoners were formed and made to do long hours of manual work. For example, they were asked to clean up the city, bury dead bodies, restore water and electricity supplies. Large numbers of POWs were also sent to Thailand, where they were made to construct the Death Railway. These POWs had a work under extremely severe conditions. The men were given simple tools to fell huge trees and cut through rocks. They were made to work long hours and were not given enough food to eat.
