trace of anything alive having been at the crime scene What Vimes does have are some tracks of white clay and more bothersome clue thingies that muck up his investigations The anger of a fearful populace is already targeting the city's small community of golems those mindless absurdly industrious creatures of baked clay who can occasionally be found toiling in the city's factories And certain highly placed personages are using the unrest as an excuse to resurrect a monarchy which would be bad enough even if their would be king wasn't as empty-headed as your typical animated pottery In addition to quieting the restless populace Vimes has to find out whodunit and howdunit too He's not even sure what they dun But as soon as he knows what the questions are he's going to look for some answers The Discworld novels can be read in any order but Feet of Clay is the 3rd book in the City Watch collection and the 17th Discworld book The City Watch collection in order Guards Guards Men at Arms Feet of Clay Jingo The Fifth Element Night Watch Thud Snuff **The Fifth Elephant** Terry Pratchett, 2009-10-13 Pratchett cheerfully takes readers on an exuberant tale of mystery and invention Along the way he skewers everything from monarchy to fascism as well as communism and capitalism oil wealth and ethnic identities Russian plays immigration condoms and evangelical Christianity in short everything worth talking about Publishers Weekly Elephants werewolves and ruby tights oh my collide in this clever Discworld tale rich in mystery myth intrigue and a dollop of diplomacy from the legendary New York Times bestselling author Terry Pratchett Everyone knows that the world is flat and supported on the backs of four elephants But weren't there supposed to be five Indeed there were So where is the fifth elephant Commander Sam Vimes of the Ankh Morpork constabulary is the man to find out A copper through and through he's been invited to attend a royal function as a diplomat ambassador to the mysterious fat rich country of Uberwald complete with ruby tights Of course where cops go crime follows An attempted assassination and a theft soon lead to a desperate chase from the low halls of Discworld royalty to the legendary fat mines of Uberwald where lard is found in underground seams along with tusks and teeth and other precious ivory artifacts It's up to the dauntless Vimes to solve the puzzle of the missing pachyderm After all that's what he does Only there are monsters on his trail bright fast toothy werewolves And they're catching up The Discworld novels can be read in any order but The Fifth Elephant is the 5th book in the City Watch collection The City Watch series in order Guards Guards Men at Arms Feet of Clay Jingo The Fifth Elephant Night Watch Thud Snuff Jingo Terry Pratchett, 2009-10-13 Pratchett's writing is a constant delight No one mixes the fantastical and the mundane to better comic effect or offers sharper insights into the absurdities of human endeavor Daily Mail Commander Sam Vimes the Ankh Morpork City Watch and their compatriots must fight for their country or something like that when Discworld goes to war in this wickedly funny Discworld novel from New York Times bestselling author Terry Pratchett No one would dream of starting a war without a perfectly good reason such as a strategic piece of old rock in the middle of nowhere known as Leshp It isn't much of an island that rises up one moonless night from the depths of the Circle Sea just a few square miles of silt and some old ruins Unfortunately this historically disputed lump of earth is once again floating

directly between two proud lands Ankh Morpork and the city of Al Khali on the coast of Klatch And that s enough to ignite the inglorious international pastime known as war It is after all every citizen s right to bear arms to defend their own Even if it isn t technically their own And even if they don t have much in the way of actual weaponry Pressed into patriotic service Commander Sam Vimes thinks he should be leading his loyal watchmen female watchdwarf and lady werewolf into battle against local malefactors rather than against Klatchians But war is after all simply the greatest of all crimes and it s Sir Samuel s sworn duty to seek out criminal masterminds wherever they may be hiding and lock them away As two armies march Vimes faces unpleasant foes who are out to get him and that s just the people on his side The enemy might be even worse The Discworld novels can be read in any order but Jingo is the 4th book in the City Watch collection and the 21st Discworld book The City Watch series in order Guards Guards Men at Arms Feet of Clay Jingo The Fifth Elephant Night Watch Thud Snuff **Night Watch** Terry Pratchett,2002 Fantasy **Men at Arms** Terry Pratchett,2009-10-13

photography Reporting the news is a risky business An ethical journalist de Worde has a nasty habit of investigating stories that quickly create powerful enemies eager to stop his presses And what better way than to start the Inquirer a titillating tabloid that conveniently interchanges what s real for what sells When de Worde gets a tip on a hot story concerning Ankh Morpork s leading patrician Lord Vetinari all hell breaks loose leaving the city without a leader The facts say Lord Vetinari is guilty But as William de Worde learns facts don t always tell the whole story There s that pesky little thing called the truth The Discworld novels can be read in any order but The Truth is a standalone Thud!
