Behind the numbing headlines of violence running out of control there are unmistakable signs of a change Chopra believes that a majority of people are ready to see an end to war Right now 23 million soldiers serve in armies around the world Can t we find ten times that number who will dedicate themselves to peace A hundred times Peace Is the Way challenges each of us to take the next leap in personal evolution You aren t asked to be a saint or to give up any belief You are only asked to stop reacting out of fear to change your allegiance from violence to peace In a practical seven step program Chopra shows the reader how to become a true peacemaker Violence may be innate in human nature but so is its opposite love The next stage of humanity the leap which we are poised to take will be guided by the force of that love This is more than a hope or an aspiration It is a new way of being in the world giving each individual the power to end war in our time *Overcoming Addictions* Deepak Chopra, M.D.,1998-03-24 Praise for Deepak Chopra M D A new medicine is in the making one in which mind consciousness meaning and intelligence play key roles One of the architects of the new medicine is Dr Chopra a credentialed respected physician who has paid his dues as a modern doctor Larry Dossey M D author of *Healing Words* Deepak Chopra is being hailed as a modern day Hippocrates for his novel approach of combining ancient healing traditions with modern research Irv Kupcinec Chicago Sun Times We can t help wishing he lived close enough to make house calls Judith Hooper New York Times Book Review Dr Chopra s writing has great beauty great power great delight and much common sense Courtney Johnson author of *Henry James and the Evolution of Consciousness* Dr Chopra presents us with information that can help us live long healthy lives Bernie Siegel M D author of *Love Medicine and Miracles* [The Book of Secrets](#) Deepak Chopra, M.D.,2005-09-27 *The Book of Secrets* is the finest and most profound of Deepak Chopra s books to date Want the answers to the secrets of life Let me recommend that you start right here Ken Wilber author of *A Brief History of Everything* We all want to know how to find a soul mate what career would be most fulfilling how to live a life with meaning and how to teach our children well We are looking for a personal breakthrough a turning point a revelation that brings with it new meaning *The Book of Secrets* a crystalline distillation of insights and wisdom accumulated over the lifetime of one of the great spiritual thinkers of our time provides an exquisite new tool for achieving just that Every life is a book of secrets ready to be opened The secret of perfect love is found there along with the secrets of healing compassion faith and the most elusive one of all who we really are We are still mysteries to ourselves despite the proximity of these answers and what we most long to know remains lodged deep inside Because answers to the questions at the center of life are counterintuitive they are often hidden from view sequestered from our everyday gaze In his ongoing quest to elevate our experience bestselling author Deepak Chopra has isolated fifteen secrets that drive the narrative of this inspiring book and of our lives From *The World Is in You* and *What You Seek You Already Are* to *Evil Is Not Your Enemy* and *You Are Truly Free When You Are Not a Person* *The Book of Secrets* is rich with insights It is a priceless treasure that can transport us beyond change to transformation and from there to a sacred place where we can savor the nectar of enlightenment **Download**
