Government agents are stalking their every move tracking them down. The very people who are supposed to be protecting them seem to be the biggest threat. Who can they trust? Where should they run? The Shapeshifter: Feather and Fang Ali Sparkes, 2016-04-20 Dax Jones will not be tamed. The Children of Limitless Ability can do all sorts of amazing things. Terrifying things too. Some can move things with their minds. Some can make themselves vanish. Dax Jones can change his form, can hurtle through the sky at 200km an hour or swim underwater for minutes on end. But all is not well. Fenton Lodge, the school and home the COLA kids had grown to love over the past few years, is being turned into a prison. The new prime minister has set up a crack force of experts to manage, contain and use the COLA resource in the best interests of decent, hardworking British people. And if necessary to shut it all down permanently. With all communication scrutinized, Dax's only option is to write to his spoilt little sister Alice. Even she might notice something is amiss if she reads his letters properly. And Alice, for all her annoying shallowness, does notice. And what she does about it is extraordinary. But then she is the half-sister of Dax Jones.

Finding the Fox: The Shapeshifter 1 Ali Sparkes, 2006-05-04 Dax Jones is an ordinary schoolboy until something extraordinary happens one day. Whilst frightened for his life he inexplicably changes into a fox. Before long both a government agent and an ambitious young journalist are on his tail. The agent tells him that he is one of several children with special powers and he's been offered a place at a secret government school where he can develop and learn to control these powers. If Dax accepts on no account can he tell anybody, especially not the journalist. Dax jumps at the chance of attending

the boarding school His home life is unhappy and he would do anything to escape it And when he gets to the school he is amazed to find himself amongst kids with all sorts of talents from the ability to levitate to the ability to move things using only the mind Dax immediately feels at home But first the journalist tracks him down And then he begins to wonder who exactly is behind the school and what they want from the pupils there Suddenly Dax's fox senses are on high alert *Frozen in Time* Ali Sparkes,2011-05-24 Originally published Oxford University Press 2009 **Fantasy Fiction** Frances Sinclair,2008 Handbook of fantasy fiction for teachers librarians parents and guardians and children themselves in which to find many titles of fantasy fiction that they like or may be tempted to read Includes groups such as classic fantasy comic fantasy Arthurian dark fantasy animals and dragons **Ali Sparkes Fiction Selection** Ali Sparkes,2017-02-02 Contemporary thrilling reads from award winning author Ali Sparkes including the hugely popular Shapeshifter series Ali Sparkes is an award winning author Sample her very best in this pacy collection Pack contains 11 books *Frozen in Time* *Dark Summer* *Wishful Thinking* *Destination Earth* *Out of this World* *Car Jacked* *Shapeshifter* *Finding the Fox* *Running the Risk* *Going to Ground* *Dowsing the Dead* and *Stirring the Storm* **Stirring the Storm: The Shapeshifter 5** Ali Sparkes,2008-01-03 In this exciting finale Dax and his friends are moved to the country in a bid to keep their identities a secret but are the special forces who are transporting them their allies or are the Children of Limitless Ability being used as pawns in a much bigger scheme Once again it is Dax who's at the centre of things it's him they want most of all But who are they And who's the brains behind this master plan Dax must save his friends from being sold as commodities to the highest bidder and in the process find out who his mother really is and how he and his friends ended up with such amazing powers **Dowsing the Dead: The Shapeshifter 4** Ali Sparkes,2007-08-02 The fantastic Shapeshifter series continues with Dax and his friends settling into their new secret hideaway in the Lake District The whole place has been fortified so that the Children of Limitless Ability won't ever be under threat again After dodging death once too often for his liking Dax is looking forward to a quieter time building a treehouse in the grounds and shifting to a fox or a falcon and exploring the countryside But all is not well in the spirit world strange messages are coming through and Dax Gideon Lisa and Mia must once again join forces Could the messages be coming from Luke and Catherine Gideon's dead brother and sister Perhaps they're even still alive In which case they have to rescue Luke from Catherine's evil clutches but is Dax really a match for her *Unleashed: The Burning Beach* Ali Sparkes,2014-01-02 The final book in the mind blowing *Unleashed* series When Mia washes up on a remote beach barely alive and suffering from amnesia there's only one thing she knows for certain everyone she loves is dead Sheltered by a tiny Irish community her healing warmth brings joy and relief to strangers but her returning memory tells a different story of terrible things she's done All she wants is to disappear for ever but the truth is catching up with her a shadowy presence is messing with her mind enemies are closing in She can't stay hidden for long *Out of This World* Ali Sparkes,2013-06-06 Tyrone Lewis was just an ordinary thirteen year old until the day he discovered something
