Thorough and accessible, this trusted resource provides readers with the tools they need to manage supply chain dynamics around the world and keep everything organized up to date and above board each step of the way. **Export/Import Procedures and Documentation** Khushpat S. Jain, 2009. **Export/Import Procedures - Documentation And Logistics** C. Rama Gopal, 2006-12. In view of the increasing thrust of exports in the field of International Marketing, a number of Indian Universities have introduced the subject **Export/Import Procedures, Documentation and Logistics** at post-graduation level in particular MBA. This subject has gained importance as doors of employment have been opened on this new front with the increasing pace of exports. In this book, all the topics have been dealt in a systematic manner. The topics are covered in the same order of UGC syllabus for students' convenient reading. The students pursuing MBA and other courses who had studied this subject at graduation/post-graduation level will find this book useful as many Business Schools/Institutions have the same topics chosen by UGC in their course contents. **Export/Import: Procedure and Documentation** Madhurima Lall, Sultan Ahmad, 2021-06-01. The book is a comprehensive book on export process and documentation. It seeks to explain in a simple manner the export procedure, documentation, and export pricing, costing, and export financing. It covers the syllabus of B.Com, B.Com Hons, M.Com, and MBA and is also a good book for beginners in export business. *Export/Import Procedures and Documentation* Dr. Khushpat S. Jain, 1900. 1. Goods and services are sent from one nation to another when they are exported Similarly purchasing or transporting goods and services from a foreign market into one's own country is an import This is the easiest way for a company to get into international business because it doesn't require much money to set up a production facility in another country instead it just needs distribution channels to successfully import or export goods A business can export or import in two ways Direct imports and exports In Direct Sending out Bringing in a firm straightforwardly manages the client provider of the far off country and plays out every one of the customs including shipment and supporting of labor and products Import export via indirect channels A company uses middlemen to interact with a customer or supplier in indirect exporting and import They don't deal with suppliers or customers directly The majority of the formalities and work are completed with the assistance of middlemen such as export houses purchasing businesses or overseas customer offices or wholesale importers in the case of import operations This book also discusses documentation procedures come on Now is the time to buy and start a great business Click the buy button
