Embracing the Cloud as a Business Essential Rai, Pankaj Kumar,Ahmad, Tanveer,Pandey, B.K.,2025-04-08 Through cloud computing a vast amount of processing power may now be accessed with only a few clicks of the mouse As a consequence of this the manner in which businesses approach computers for the purposes of conducting research and carrying out commercial activities will undergo a considerable transition This move marks a substantial democratization of computing power which means that it will have an influence on every industry and will ignite the flames of innovation at a rate that has never been seen before Embracing the Cloud as a Business

Essential explores the transformation brought about by the shift in the way that processing power is utilized. It discusses Computer as a Commodity rather than Computer as a Service as the proper moment for enterprises to begin addressing its utilization. Covering topics such as cost management, marginalized communities, and smart contracts, this book is an excellent resource for business leaders, computer programmers, cloud developers, professionals, researchers, scholars, academicians, and more.
