

Vale Middle School Reading Article

To: *Rescue or Not, That is the Question With Distressed Animals* (2014-05)

Instructions: COMPLETE ALL QUESTIONS AND MARGIN NOTES using the CLOSE reading strategies practiced in class. This requires reading of the article three times.

Step 1: Skim the article using these symbols as you read:

(+) agree, (-) disagree, (!) important, (!!) surprising, (?) wondering

Step 2: Number the paragraphs. Read the article carefully and make notes in the margins.

Notes should include:

- Comments that show that you understand the article. (A summary or statement of the main ideas of important sections may serve this purpose.)
- Questions you have that show what you are wondering about as you read.
- Notes that differentiate between fact and opinion.
- Observations about how the writer's strategies (organization, word choice, perspective, support) and choices affect the article.

Step 3: A final quick read noting anything you may have missed during the first two reads.

Your margin notes are part of your score for this assessment. Answer the questions carefully in complete sentences unless otherwise instructed.

Student _____

Class/Period _____

To Rescue or Not, That is the Question With Distressed Animals

Maybe it's a baby robin that falls out of a nest in the backyard, or twin deer fawns left orphaned after their mother gets struck by a car or eaten by wolves, or perchance a bald eagle, behaving strangely, staggering on the ground and unable to fly.

When wild animals appear to be in distress, should human beings intervene to rescue them or is it better to back off and let nature take its course?

This existential question is being debated again following an incident in Yellowstone National Park involving a bison.

Earlier in May, a Canadian tourist captured a wild bison calf with his bare hands and loaded it into his SUV. The man said he found the animal alone and shivering along the roadside in Yellowstone's wildlife-rich Lamar Valley. Once he turned it over to rangers, park biologists made several attempts to resuscitate the youngster with its head but when the calf was rejected, they euthanized it.

Kassam was fined \$110 for violating park regulations, which strictly forbid contact with wildlife, and is supposed to make a court appearance

Write in my thoughts, reactions and questions as I read.

Middle School Reading Article
