Primary Teaching Catherine Carden, 2026-03-01 Primary teaching is challenging and rewarding in equal measure Schools are diverse and ever changing communities where children and teachers learn alongside each other When learning to teach practical experience in the classroom is essential as is learning from others and being able to reflect on your own learning and performance Equally important is the ability to critically evaluate learning and teaching and to look at current practice in schools and in the UK and to question it In fact in teacher training the questions are just as important as the answers What is teaching How do children learn What is pedagogy Does curriculum really matter Should teachers manage behaviour How do I support children with SEND What can AI tools do for teachers This core text from Learning Matters tackles these questions and more It poses questions to encourage a re thinking of the world of schools and learning It challenges trainee teachers to ask why to engage with research and to reflect on their own practice and the practice in their placement schools Primary Teaching is a core text for trainee teachers

Sensory Stories for Children and Teens with Special Educational Needs Joanna Grace, 2014-10-21 Sensory Stories are an effective tool for teaching and communicating with children with PMLD autism and other special educational needs This useful book explains how sensory stimulation can aid development and provides a wealth of resources for using Sensory Stories at home in the classroom and advice on adapting and creating new stories

Fairy Tales with a Black Consciousness Vivian Yenika-Agbaw, Ruth McKoy Lowery, Laretta Henderson, 2013-07-03 The all new essays in this book discuss black cultural retellings of traditional European fairy tales The representation of black protagonists in such tales helps to shape children s ideas about themselves and the world beyond which can ignite a will to read books representing diverse characters The need for a multicultural text set which includes the multiplicity of cultures within the black diaspora is discussed The tales referenced in the text are rich in perspective they are Aesop s fables Cinderella Rapunzel and Ananse Readers will see that stories from black perspectives adhere to the dictates of traditional literary conventions while still steeped in literary traditions traceable to Africa or the diaspora

Reading Children's Fairytales Mette Lindahl-Wise, Harry Oulton, Vicky Macleroy, Emily Corbett, 2025-11-17

Fairytales form a cornerstone of children's and YA literature studies and the tale of Hansel and Gretel has been translated, adapted, and retold across the years. *Reading Children's Fairytales Inside the Gingerbread House* brings together leading and emerging researchers and practitioners to showcase how interdisciplinary approaches enable diverse responses to texts. This edited collection opens up possibilities for cross-pollination between critical, multimodal, and creative approaches. It celebrates multiple forms of knowledge and meaning-making within and beyond academic discourse and engages young people in the conversation. The authors explore a wide range of retellings of Hansel and Gretel from children's picturebooks, graphic novels, poetry, and young adult fiction to sculpture and Hip Hop to offer a comprehensive investigation of the tale. The volume also benefits from the voices of acclaimed creative writers who create and reflect on retellings that cross cultural and international boundaries. In engaging with such a range of popular retellings, the chapters bring a renewed attention to the need to disrupt hierarchical and canonical perspectives on children's and YA literature.
