Phantom Of The Opera Notes For Piano:

Mozart's Ghosts Mark Everist, 2013-06-11 Mozart's Ghosts traces the many lives of this great composer that emerged following his early death in 1791. Crossing national boundaries and traversing two hundred years worth of interpretation and reception, author Mark Everist investigates how Mozart's past status can be understood as part of today's veneration. Everist forges new paths to reach the composer, examining a number of ways in which Western culture has absorbed the idea of Mozart, how various cultural agents have appropriated, deployed, and exploited Mozart toward both authoritarian and subversive ends, and how the figure of Mozart and his impact illuminate the cultural history of the last two centuries in Europe, England, and America. Modern reverence for the composer is conditioned by earlier responses to his music, and Everist argues that such earlier responses are more complex than allowed by a simple reception studies model. Closely linking nine case studies in an innovative cultural and theoretical framework, the book approaches the developing reputation of the composer from death to the present day along three paths. *Phantom of the Opera* deals with stage music, *Holy Spirits* addresses the trope of the sacred, and *Specters at the Feast* considers the impact of Mozart's music in literature and film. *Mozart's Ghosts* adeptly moves the study of Mozart reception away from hagiography and closer to cultural and historical criticism, and will be avidly read by Mozart scholars and students of eighteenth-century music history as well as literary critics, historians of philosophy and aesthetics, and cultural historians in general. **Film Music Notes**, 1946 The Phantom's Opera Sadie Montgomery, 2007-10-22 Known only as Erik Costanzi to the patrons of the Teatro dell'Opera and immersed in the world of music, the Phantom of the Opera believes his demons have been laid to rest. When a fire breaks out in the Teatro, Erik is thought to have died in the blaze. But he wakes without memory and without an identity in the arms of his former lover, Luciana Fiortino. Given a chance to keep Erik to herself, Luciana invents a fairy tale past for him. She has him take the name of her dead husband, not realizing that she thus condemns him to live a fiction that spirals further and further out of control. Has Erik lost everything, including himself? Yet Meg cannot accept that her husband has died. She knows that the stranger who watches in the wings and sends her roses must be Erik. But someone else watches over both Erik and Meg, waiting for another chance at revenge. Only the Phantom can save them. Book III in the Phoenix of the Opera series. *The Phantom's Opera* continues the story begun in *The Phoenix of the Opera* and *Out of the Darkness: The Phantom's Journey*.

Arias, Ensembles, & Choruses John Yaffé, David Daniels, 2011-11-17 Conductors John Yaffé and David Daniels have created a one-stop sourcebook for orchestras, opera companies, conductors, and librarians who research and/or prepare programs of vocal excerpts such as solos, ensembles, and choruses for concert performance. In this book, readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas, operettas, musicals, and oratorios: more than 1,750 excerpts from 450 parent works. Modeled on Daniels' *Orchestral Music: Arias, Ensembles, Choruses*, it includes basic historical details about each parent work as well as extract titles, subtitles, voice types, keys, durations, locations in the

original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield s music editor for assistance

NU Quarter Notes ,1988 *Bibliographic Guide to Music* New York Public Library. Music Division,2003 **Stephen Sondheim and Andrew Lloyd Webber** Stephen Citron,2001-09-13 The New York Times called Stephen Sondheim the greatest and perhaps best known artist in the American musical theater while two months earlier the same paper referred to his contemporary Andrew Lloyd Webber as the most commercially successful composer in history Whatever their individual achievements might be it is agreed by most critics that these two colossi have dominated world musical theater for the last quarter century and hold the key to the direction the musical stage will take in the future Here in the third volume of Stephen Citron s distinguished series *The Great Songwriters* in depth studies that illuminated the musical contributions careers and lives of Noel Coward and Cole Porter Noel Cole The Sophisticates and Oscar Hammerstein 2nd and Alan Jay Lerner The Wordsmiths this eminent musicologist has taken on our two leading contemporary contributors to the lyric stage His aim has not been to compare or judge one s merits over the other but to make the reader discover through their works and those of their contemporaries the changes and path of that glorious artform we call Musical Theater In his quest Citron offers unique insight into each artist s working methods analyzing their scores including their early works and works in progress As in Citron s previously critically acclaimed books in this series great significance is given to the impact their youthful training and private lives have had upon their amazing creative output Beginning with Sondheim s lyrics only works *West Side Story* *Gypsy* *Do I Hear A Waltz* through his scores for *Saturday Night Company* *Anyone Can Whistle* *Follies* *Pacific Overtures* *A Little Night Music* *Sweeney Todd* *Merrily We Roll Along* *Sunday In the Park* *Into the Woods* *Assassins* and *Passion* all these milestones of musical theater have been explored Lloyd Webber s musical contribution from his early works *The Likes of Us* and *Joseph to Jesus* *Christ Superstar* *Evita* *Cats* *Starlight Express* *Aspects of Love* *By Jeeves* *The Phantom of*

the Opera Song Dance Mass Sunset Boulevard to Whistle Down the Wind are also thoroughly analyzed The works of these two splendid artists are clarified for the casual or professional reader in context with their contemporaries Complete with a quadruple chronology Sondheim Lloyd Webber US Theater British Theater copious quotations from their works and many never before published illustrations the future of the artform that is the crowning achievement of the 20th century is made eminently clear in this book Sondheim Lloyd Webber is a must read for anyone interested in the contemporary theater
