## **Psychological Suspense 2026 Guide:**

**Writers' Handbook 2026** J. Paul Dyson, 2025-07-10 The 2026 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies, Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

shake the feeling that he's been lying. After all, trusting men has never worked out well for Aria. But sweet, kind Ethan has never given her a reason not to trust him. Has he? Perhaps the stress of trying for a baby is finally getting to her. Recently, she swears she feels someone is watching her as she grabs her morning decaf coffee. Then, during a girls' night that was supposed to take her mind off things, her best friend Isla is brutally murdered in a dark bathroom bar. Aria is still reeling from the shock when the text arrives: How well do you know your husband? And suddenly, amid a police investigation, Ethan's increasingly strange behaviour forces Aria to question everyone around her, including herself. He said he loved me. He said I had nothing to worry about. What else don't I know about my husband's lies? Please note: this was previously published as *How Well Do You Know Your Husband*. Readers are obsessed with Maryann Webb's utterly unputdownable psychological thriller. Omg, the twists were twisting. Pulled you in with every twist and turn. I even started doubting my husband. Reader review 5: **Forthcoming Books** Rose Arny, 1992-10 **The Girl in the Cellar** Maryann Webb, 2025-10-14 HOLY COW! It grabbed me like a vice from the first page and never let go. I stayed up until 7am reading it because I just HAD to keep reading. Wrought with suspense and tension, there were times I didn't know who was the true villain. Great book. Reader review 5 stars: Not all secrets stay behind closed doors. Izzy Blake hasn't seen sunlight in almost a year. Or, at least, that's how long she thinks she's been down here. She only eats when she's been good. She only gets to wash when he says so. Every day is the same: Darkness, Pain, The fear when she hears the key turn in the lock, and she knows he's come back. Until one day, the door opens, and there's someone else coming down the steps. It's not him. It's a woman. A woman who clearly has no idea that her husband has Izzy chained up in their wine cellar. But from the bruises on her arm, Izzy thinks this woman must have some idea what he's capable of. Being the girl in the cellar is bad, but it can't be easy being the girl upstairs. Because the monster's not under your bed, he's in it. An absolutely unputdownable psychological thriller, perfect for fans of Freida McFadden, John Marrs, Steena Holmes, and Becca Day. Readers can't get enough of *THE GIRL IN THE CELLAR*. Um, I don't even know what to say about this one. WOW, doesn't quite cover it. The turns keep coming, and the twists at the end left
