Prof. Amitava Basu,Dr. Amalendu Samanta,Mr. Santanu Mallick,Md Arif Akhter,Ms. Saroj Mahato, **Stay Jane** Bailey,2023-08-17 There was so much suspense I could feel my heart pound in my chest This is the first book I ve read by this author and it certainly will not be the last Loved it Twilight Reader It was meant to be Caitlin s perfect summer but betrayed by her best friend and her boyfriend she finds herself hitchhiking home alone heartbroken and penniless When a smiling family pulls up on the roadside to help her on her way she s relieved they seem so friendly safe And when they offer her a warm bed in their isolated house for the night she s grateful not to have to travel back alone in the dark In any case she s in no rush to get home where a grave secret is lying in wait to blow her family apart One night soon turns into two and then three The increasingly spellbinding couple wants her to stay and why shouldn t she Their children need a tutor and the longer she can avoid home the better But then an older member of the household warns her to leave immediately And when her phone suddenly goes missing when she realises that this perfect family is a perfect lie it might not be so easy for her to leave A brilliantly suspenseful read perfect for fans of Lisa Jewell Mark Edwards and Claire Douglas Read what everyone is saying about Stay Will blow your mind Love love love Bailey s writing Goodreads Reviewer Fantastic The very definition of a page turner Jane s best yet So good I loved it Jackie Kabler 1 bestselling author of The Perfect Couple Gripping and atmospheric will keep readers guessing until the final pages A twisty and suspenseful narrative readwithmills Will really get under your skin Mark Edwards bestselling author of Keep Her Secret Intense keeps you hooked I d highly recommend this
