

Reciprocal Teaching Phases

TEACHER DEMONSTRATION

The teacher models how to use all four of the strategies so that students can get the "big picture."

DIRECT INSTRUCTION AND GUIDED PRACTICE

One lesson is dedicated to each strategy allowing the teacher to explain how to use the strategy and provide feedback while students try it out.

TEACHER-STUDENT GROUPS

The teacher leads small groups in discussion and use of the strategies, providing feedback as needed. As students become more experienced, the teacher provides less support.

STUDENT-LED GROUPS

Students take turns leading the discussion, prompting each other to use the strategies and giving each other feedback.

STUDENT INDEPENDENT USE

Students use the four strategies to monitor their own comprehension while reading independently.
