Strategy Vs Operations Consulting Caseinterview:

Vault Guide to the Top 50 Management and Strategy Consulting Firms, 2014 Edition VAULT, Case Interview Frameworks Robert Steiner,2015-08-30 You often hear in discussions about case interviews that you should not use standard business frameworks and concepts at all because they just don't fit to the specific case question and interviewers don't like it when candidates use standard frameworks to solve cases However when challenging this shallow generalized and popularized statements there aren't any of those arguments remaining on the table It is most definitely true that you can't crack a realistic interview case by relying solely on standardized frameworks but all those business frameworks and concepts are extremely helpful templates which you can and even should put into your toolbox and use them whenever appropriate if not to the full extent at least partly Such a standard business framework is just a tool and the tool itself is rarely good or bad it mainly depends on how and for which purpose you use it With this book you achieve all of the following Get a profound overview of the most important business concepts and frameworks needed in consulting case interviews Really understand those business concepts and frameworks instead of possessing only knowledge of dangerous half truths Impress your interviewer on how structured and therefore client friendly you tackle tough case interview questions Quickly learn how to actually apply those frameworks to concrete business situations instead of just having a shallow theoretic knowledge of them Be more MECE mutually exclusive collectively exhaustive in setting up your overall case structure at the beginning of your case interview Better structure your answers to particular questions later on in your case interview again being more MECE Save tons of time by having high quality content from 10 years of consulting and interview experience together in one single book Significantly reduce the risk of losing a tier 1 consulting firm job offer because you were not structured enough in your interview and we all know how important it is to be ABS Always Be Structured **Ace Your Case!** WetFeet (Firm),WetFeet,2008 **Ace Your Case II** WetFeet,2008 **Vault Guide to the Case Interview** Vault (Firm),2001 Professional career guide from the Vault Career Library providing detailed case by case explanations of the consulting interview and strategies for cracking it Consulting Interviews WetFeet.com (Firm),2001 *Vault Guide to the Top 50 Consulting Firms* Daniel McHugh,2001 A collection of company profiles offering an inside look at management consulting careers and the firms that shape the industry Components and Conditions Edward Vernon,2019-10-04 Pure logic pure efficiency Components and Conditions is the case cracking methodology developed by candidates for candidates It takes widely accepted case interview principles and examines them under a microscope removing anything superfluous and developing logical principles where there are gaps Developed with guidance from strategy consultants at the world's leading firms Components and Conditions is a uniquely robust approach to tackling strategic business problems at the candidate and consultant level *How to Ace the Brainteaser Interview* John Kador,2004-08-23 As if job interviews weren't intimidating enough a number of the most desirable companies are raising the ante Instead of Tell us about yourself or What is your

biggest weakness applicants are confronted by challenges such as Why are beer cans tapered on the ends How many piano tuners are there in the world How many ping pong balls can you stuff into a Boeing 747 Design a bathroom for the CEO of the company If you could remove any one of the 50 US states which would you select and why What are the interviewers looking for In general they want insights into how you think and how creative you are Can you articulate a problem in a creative way Can you shift your point of view so you think outside the box Can you outline a logical procedure for estimating an answer Can you defend the answer against objections Only by evaluating your responses will the interviewer be able to determine what sets you apart from the rest and perhaps more importantly how well you respond to unusual or unexpected business situations Acing such interviews requires a new mindset It s not about right and wrong The obvious answers are generally the least desirable and generally wrong Today success requires outrageous mental leaps enormous confidence and taking risks These are the challenges that the best companies use to separate the best from the good Can you measure up and make the cut This book will help you This book is a how to for job applicants who want to be prepared for a line of think on your feet creativity stumpers currently in vogue by a number of companies determined to select the best employees in today s incredibly competitive job market A number of articles books and broadcasts indicate that many employers in search of the Right Stuff are throwing out traditional questions in favor of problem solving queries Their goal is to seek out talented individuals who are not only smart but can think on their feet Kador takes an in depth look at the variety of challenges an applicant can expect to be asked in addition to offering proven strategies for knocking them out of the park The main part of the book will give readers the inside track on the most popular such questions and what interviewers are looking for A section of the book will allow readers to test their creativity against a set of new brain teasers and off the wall questions
