Awkward Moments Ross Petras, Kathryn Petras, 2020-03-10 A compendium of 100 words and phrases smart people use even if they only kinda sorta secretly don't know what they mean with pithy definitions and fascinating etymologies to solidify their meanings Your boss makes a joke about Schrodinger's cat which is something you've heard of but you're a little vague about what exactly happened or didn't happen with that cat Or you're reading a New Yorker article that explains that Solecism slipped into solipsism into full-blown narcissistic project An excellent point if you're sure what solecism means or for that matter solipsism Language gurus Ross Petras and Kathryn Petras to the rescue In the breezy and entertaining yet informative style of their New York Times bestseller *You're Saying It Wrong* they give you a brief rundown on words smart people should know from the worlds of science and the arts to philosophy and from broader topics like quantum physics and ontology to more specific ones like Plato's cave and trompe l'oeil They cover the Latin phrases we hear and read *prima facie sui generis* and the like as well as those that have entered our vocabularies from other languages *bildungsroman sturm und drang* These are the words that if you were asked directly What does this mean you might hem and haw and try to change the subject After reading this book you won't have to

The Past in Visual Culture Jilly Boyce Kay, Cat Mahoney, Caitlin Shaw, 2017-01-26 In recent years digital technology has made available an inconceivably vast archive of old media Images of the past accessed with the touch of a finger are now intertwined with those of the present raising questions about how visual culture affects our relationship with history and memory This collection of new essays contributes to a growing debate about how the past and its media are appropriated in the modern world Focusing on a range of visual cultures the essays explore the

intersection of film television online and print media and visual art platforms whose boundaries are increasingly hard to define and the various ways we engage the past in an environment saturated with the imagery of previous eras Topics include period screen fiction nonfiction media histories and memories cinematic nostalgia and recycling and the media as both purveyors and carriers of memory *O Positive* Joe Dunthorne,2019-04-02 The long awaited debut from the poet novelist and journalist Joe Dunthorne He was one of the most popular of our Faber New Poets 2010 and this collection has all the appeal of his acclaimed fiction arch playful and self aware truly funny and enviably cool **Lonely Planet Wales** Lonely Planet, The Adulterants Joe Dunthorne,2018-03-06 For readers of Roddy Doyle Nick Hornby and Mark Haddon The Adulterants is a piercingly funny and cringingly poignant take on how hard it is to grow up and how hard it is when you don't Ray Morris is a tech journalist with a forgettable face a tiresome manner a small but dedicated group of friends and a wife Garthene who is pregnant He is a man who has never been punched above the neck He has never committed adultery with his actual body He has never been caught up in a riot nor arrested nor tagged by the state nor become an international hate figure Not until the summer of 2011 when discontent is rising on the streets and within his marriage Ray has noticed none of this Not yet The Adulterants would be a coming of age story if its protagonist could only forget that he is thirty three years old Throughout a series of escalating catastrophes our deadpan antihero keeps up a merciless mental commentary on the foibles and failings of those around him and the vicissitudes of modern urban life internet trolls buy to let landlords open marriages and the threat posed by more sensitive men But the wonder of The Adulterants is how we feel ourselves rooting for Ray even as we acknowledge that he deserves everything he gets **The Literary Review** ,2011 The Publishers Weekly ,2007 *Directory of World Cinema: Britain 2* Neil Mitchell,2015-01-01 The first volume of the Directory of World Cinema Britain provided an overview of British cinema from its earliest days to the present In this the second volume the contributors focus on specific periods and trace the evolutions of individual genres and directors A complementary edition rather than an update of its predecessor the book offers essays on war and family films as well as on LGBT cinema and representations of disability in British films Contributors consider established British directors such as Ken Loach and Danny Boyle as well as newcomer Ben Wheatley who directed the fabulously strange A Field in England This volume also shines the spotlight on the British Film Institute and its role in funding preservation and education in relation to British cinema A must read for any fan of film the history of the United Kingdom or international artistic traditions Directory of World Cinema Britain 2 will find an appreciative audience both within and outside academia *Children of Radium* Joe Dunthorne,2025-04-03 Off beat irreverent and subversive a Jewish family memoir about convenient delusions and unsayable truths from the acclaimed author of the cult classic novel Submarine The best book I've read in the past year A masterpiece Financial Times A slippery marvel and a quixotic voyage into the heart of 20th century darkness Observer Poignant and profound comic and unconventional and genuinely searingly meaningful The New York Times Joe Dunthorne had always

wanted to write about his great grandfather Siegfried an eccentric scientist who invented radioactive toothpaste and a Jewish refugee from the Nazis who returned to Germany under cover of the Berlin Olympics to pull off a heist on his own home The only problem was that Siegfried had already written the book of his life an unpublished two thousand page memoir so dry and rambling that none of his living descendants had managed to read it And as it turned out when Joe finally read the manuscript himself it told a very different story from the one he thought he knew Thus begins a mystery which stretches across the twentieth century and around the world from Berlin to Ankara New York Glasgow and eventually London a mystery about the production of something much more sinister than toothpaste On the trail of one jolly grandpa with a patchy psychiatric history and an encyclopaedic knowledge of poison gases Joe Dunthorne is forced to confront the uncomfortable questions that lie at the heart of every family Can we ever understand where we come from Is every family in the end a work of fiction And even if the truth can be found will we be able to live with it Children of Radium is a remarkable searching meditation on individual and collective inheritance Witty and wry deeply humane and endlessly surprising it considers the long half life of trauma the weight of guilt and the ever evasive nature of the truth **Swiss News** ,2008

Wild Abandon Joe Dunthorne,2012-01-03 At a once vibrant communal living property in the British countryside back to basics fervor has given way to a vague discontent A place that once buzzed with activity from the polytunnels to the pottery shed now functions with a skeleton crew Founder Don Riley surveys his domain with the grim focus of someone who knows what s best for everyone and isn t afraid to let them know Especially when those people are related to him Don s wife Freya can t quite decide whether not liking someone anymore is enough reason to end a twenty year marriage So she decamps to a mud yurt in the woods to mull it over Their seventeen year old daughter Kate enrolls in school for the first time in her life the exotic new world of fellow teenagers and surprisingly tasty cafeteria food beckons and she is quickly lured into the arms of a meathead classmate In his sister s absence eleven year old Albert falls under the spell of an outlandish new visitor to the community who fills his head with strange notions of the impending end of the world Faced with the task of rescuing his son from apocalyptic fantasies his daughter from the clutches of suburbia and his wife from her increasingly apparent desire to leave him Don convinces himself that the only way to save the world he s created is to throw the biggest party of his life Will anyone show up From the acclaimed young author of Submarine Wild Abandon is a strange and wonderful look at love familial and romantic returned and rebuffed and the people and places we choose to call home **The New York Times Index** ,2008
