makes sense and it's easy for students to understand how the topics they are studying fit into the bigger picture

**Contemporary Content** When creating the book the author team asked themselves what OB texts would look like if all of them were first written in 2008 Many OB texts include outdated and disproven models just to maintain continuity with earlier editions Such content frustrates students who don't understand why they should learn theories that are not valid Colquitt Essentials omits such theories devoting more space to contemporary topics that are useful for employees and managers

**Features that Students Want to Read** Each chapter includes special insert box features like OB on Screen OB in Sports OB for Students and OB Internationally that help bring OB to life for the reader Many of these features have been praised by students for their ability to demonstrate OB content in a fun and appealing manner Colquitt Essentials also uses an informal style that students enjoy reading while focusing on company examples that students find interesting Google Netflix Best Buy Four Seasons eBay and others
