German Picture Dictionary Vol. 1 Nik Marcel, 2015-04-28 GERMAN PICTURE DICTIONARY Vol 1 German to English THIS EDITION The dual language text has been arranged for quick and easy cross referencing The text can be used on its own However the content is ideal for reinforcing the basics and as a precursor to studying grammar or more advanced bilingual editions Volume 1 in this series provides the language learner with a broad exposure to basic words and concepts using visual queues to support understanding and retention This picture dictionary takes the unconventional

approach of including adjectives verbs adverbs and prepositions not just nouns In doing so visual queues become a way to progress much deeper into the foreign language Once a student has studied the basics the Picture Dictionary can be a helpful language building resource The suggestion is to progress through the dictionary as you would a normal book rather than try and use it as a reference text The dictionary provides the basis for a language learner to make an easy and fruitful transition to more advanced bilingual texts If audio is an important component of your interest in languages electronic devices that support quality text to speech TTS will likely be appealing With a library card TTS technology in a device that supports the relevant content and resources from 2Language Books as digital content an entire language learning system is available for not much more than a cup of coffee There is no substantial financial outlay to get you started Furthermore there are no additional ongoing fees and updates and there are no expiry dates on premium content and resources A Dual Language Book Project 2Language Books **Subject Catalog, 1981** Library of Congress,1981 **The Oxford-Duden Pictorial**
