Philips Ce0168 :

Business Today, 2007 The History of N. V. Philips' Gloeilampenfabrieken: Volume 2, A Company of Many Parts A.
Heerding, 1989-01-26 This is the second volume to appear in English of Mr Heerding's magisterial history of N V Philips
Gloeilampenfabrieken first published in The Netherlands in 1986 It traces the growth and development of the firm from its
establishment in 1891 until the retirement of Gerard Philips in 1922 This was a period of dramatic worldwide expansion and
Mr Heerding's vivid account assesses not merely the indigenous factors behind the company's success notably its production
system and marketing expertise but also the wider technological developments that were shaping the lamp industry generally
Mr Heerding shows how from its earliest days Philips pursued a vigorous export policy bringing it into conflict with
entrenched interests in Germany and North America in particular and was thus able to survive when many of its competitors
were floundering Mr Heerding analyses the long struggle against the German Patentgemeinschaft and Philips' extensive
American involvement culminating in lengthy negotiations with General Electric the study provides an illuminating example
of how a small company building on the personal strengths of its founders can in fact establish itself within a market
dominated by monopolies and cartels As with Volume 1 Mr Heerding provides far more than just the internal history of one
company examining in detail the socio-economic structure of Eindhoven the Catholic provincial town that was to become the
world headquarters of the Philips organisation He shows how forms of profit sharing housing and educational schemes were
progressively introduced as the company from being a suspiciously watched outsider became the dominant presence in the
town Sadly Mr Heerding died shortly after completion of Volume 2 of the Dutch edition this English impression should make
a fitting memorial to one of the foremost Dutch business historians of recent times **Facts about Philips** Philips'
