Jackson Sick Note Gareth Millward,2022-08-11 Sick Note shows how the question of who is really sick has never been straightforward and will continue to perplex the British state Sick Note is a history of how the British state asked who is really sick Tracing medical certification for absence from work from 1948 to 2010 Gareth Millward shows that doctors employers employees politicians media commentators and citizens concerned themselves with measuring sickness At various times each understood that a signed note from a doctor was not enough to prove whether someone was really sick Yet with no better alternative on offer the sick note survived in practice and in the popular imagination just like the welfare state itself Sick Note reveals the interplay between medical employment and social security policy The physical note became an integral part of working and living in Britain while the term sick note was often deployed rhetorically as a mocking nickname or symbol of Britain s economic and political troubles Using government policy documents popular media internet archives and contemporary research Millward covers the evolution of medical certification and the welfare state since the Second World War demonstrating how sickness and disability policies responded to demographic and economic changes though not always satisfactorily for administrators or claimants Moreover despite the creation of the fit note in 2010 the idea of the sick note has remained With the specific challenges posed by the global pandemic in the early 2020s Sick Note shows how the question of who is really sick has never been straightforward and will continue to perplex the British state The Northwestern Miller ,1928 **Historical Collections of the Danvers Historical Society** Danvers Historical Society,1921 Includes Necrology *Exile from Eden* Andrew Smith,2019-10-03 From New York Times bestselling author Andrew Smith comes the stunning long awaited sequel to the groundbreaking Printz Honor Book Grasshopper Jungle It s been sixteen years since an army of horny hungry six foot tall praying mantises forced Arek s family underground and into the hole where he was born it s the only home he s ever known But now post end of the world the army of horny hungry praying mantises might finally be dying out and Arek s ready to leave the hole for good All he has are mysterious letters from Breakfast a naked wild boy traveling the countryside with his silent companion Olive Together Arek and his best friend Mel who stowed away in his van navigate their way through the ravaged remains of the outside world Praise for Grasshopper Jungle A cool passionate gay straight male female absurd real funny moving past present breezy profound masterpiece of a book Michael Grant bestselling author of the GONE series If you only read one book this year about sexually confused teens battling 6 foot tall head chomping praying mantises in small town America make it this one Charlie Higson author of the bestselling Young Bond series I devoured marburyjack s wonderful cool passionate Grasshopper Jungle Sally Green author of Half Bad Grasshopper Jungle by Andrew Smith You must read immediately It s an absolute joy Scary funny sexy Trust me Jake Shears lead singer of The Scissor Sisters Not for the faint hearted Mutant grasshoppers rampant lust a tale of teen self discovery that grips like a mating mantis Metro Andrew Smith has always wanted to be a writer After graduating college he wrote for newspapers and radio stations but found it wasn t the kind of writing he d dreamed about doing Born with an impulse to travel Smith the son
