Advanced Strategies Career Planning For Teens:

Career Planning For Gifted Students Michele Henderson, 2009-06-15 Most of the parents and teachers often assume that career planning for gifted and talented children will take care of itself But evidence is mounting to show that the path from education to career is not always smooth for them and it may be further complicated by social emotional problems that gifted children often face Thus there is an urgent need for parents to properly plan career options for their children in advance But how This book offers some easy tips
