 published in 1922 to immediate popularity The Velveteen Rabbit by Margery Williams has never been out of print The story
 has been adapted for film television and theater across a range of mediums including animation claymation live action
 musical and dance Frequently the story inspires a sentimental nostalgic response as well as a corresponding dismissive
 response from critics It is surprising that despite its longevity and popularity The Velveteen Rabbit has inspired a relatively
 thin dossier of serious literary scholarship a gap that this volume seeks to correct While each essay can stand alone the
 chapters in The Velveteen Rabbit at 100 flow in a coherent sequence from beginning to end showing connections between
 readings from a wide array of critical approaches Philosophical and cultural studies lead us to consider the meaning of love

 traditional exegetical reading sits alongside queering the text Collectively these essays more than double the amount of
