Abbott, 1966 **Vatican Council II** Austin Flannery, 1996 The 16 documents in this text are without commentary or additional documentation and in inclusive language Contents Dogmatic constitution of the Church Dogmatic constitution on divine revelation Constitution on the sacred liturgy Pastoral constitution on the Church in the modern world Decree on the pastoral office of bishops in the Church Decree on the ministry and life of priests Decree on the training of priests Decree on the up to date renewal of religious life Decree on the apostolate of lay people Decree on the Church's missionary activity Decree on ecumenism Decree on the Catholic Eastern Churches Decree on the mass media Declaration on religious liberty Declaration on the revelation of the Church to non Christian religions Declaration on Christian education **Vatican Council II: The Conciliar and Postconciliar Documents** Austin Flannery, 2014-08-28 Vatican Council II The Conciliar and Postconciliar Documents is now available in the widely used study edition translated by Irish Dominican Austin Flannery October 21 2008 This is the translation chosen for inclusion in The Catechism of the Catholic Church and the text that both students of the Council and students of the Catechism will want It contains all sixteen documents of the Second Vatican Council plus the forty nine later documents from popes and Vatican congregations that implement the details of the Council's decisions Special features of this study edition Larger page size with larger print and more generous margins Focus questions after each Council document help the reader comprehend the main points Creative questions assist the reader in applying the content of the Council documents to personal experience or to future development in the Church **Vatican Council II, More Postconciliar Documents** Austin Flannery, 1982 **Documents of Vatican II** Austin Flannery, 1975 DOCUMENTS OF VATICAN II is a new translation of the original documents of the Ecumenical Council that changed the Catholic Church and possibly all of Christianity forever The question may be asked Why a new edition of these documents For eighteen years Austin Flannery was involved in the translation and publication of the official Church documents including Vatican II and its aftermath He has long felt that there is need for a convenient and inexpensive book which would contain not only the sixteen Council documents but also as many as possible of the relevant subsequent official documents especially those which are positive in their implementation or application of the original sixteen documents In addition to a newer more accurate translation of the original sixteen documents Flannery has included documents of general interest which form part of the post conciliar process and which generally speaking are not readily accessible The selection of documents was made to meet the needs of priests educators and lay persons who might find themselves asking Where can get those documents on mixed marriages or Isn't the index abolished or is it or What is the Vatican's official and controversial paper on the Jews *Vatican Council II: Constitutions, Decrees, Declarations* Austin Flannery, 1996-05-01 The sixteen official documents constitutions decrees and declarations of the Second Vatican Council are now available from Liturgical Press in the most popular and widely used inclusive language edition translated by Irish

Dominican Austin Flannery October 21 2008 As the worldwide Church continues to celebrate the fiftieth anniversary of the Council 1962-65 there is a great need in college classrooms and parish faith formation groups as well as for individuals to again have access to these documents in contemporary English As Flannery wrote in his introduction to the 1996 edition The translation of the texts of the Vatican documents in the present volume differs from that in the previous publication in two respects It has been very considerably revised and in places corrected It is also to a very large extent in inclusive language I say to a very large extent because we have used inclusive language in passages about men and women but not however in passages about God except where the use of the masculine pronoun was easily avoidable Vatican II Matthew L Lamb, Matthew Levering, 2008-04-30 In *Vatican II: Renewal Within Tradition* an international team of theologians challenges the standard view of the Council as causing a rupture with earlier Catholic teaching Examining each document issued they argue that The Council was indeed putting forth a vision for the future of the Church but that vision was grounded in two millennia of tradition Taken together these essays demonstrate that Vatican II's documents are a development from an established antecedent in the Roman Catholic Church Each chapter contextualizes Vatican II teachings within that rich tradition
