

Of Mice and Men Character Chart

Directions: Below fill in the chart. Use quotes when needed and page numbers.

Character	Physical Appearance	Personality & Behavior
George Milton	Small & quick. Strong hands and a thin, bony nose.	Leader. Looks after Lennie. Although he frequently speaks of how much better his life would be without his caretaking responsibilities, George is obviously devoted to Lennie. George's behavior is motivated by the desire to protect Lennie and, eventually, deliver them both to the farm of their dreams. Though George is the source of the often-told story of life on their future farm, it is Lennie's childlike faith that enables George to actually believe his account of their future.
Lennie Small	Huge man with a slopeless face and sloping shoulders. Walks heavily, dragging feet. Described as "strong as a bull" p. 22.	Follower. Mentally impaired. Loves soft things mice, rabbits, a woman's dress, hair. Hard worker. Simple minded like a child. Due to his mild mental disability, Lennie completely depends upon George, his friend and traveling companion, for guidance and protection. The two men share a vision of a farm that they will own together, a vision that Lennie believes in wholeheartedly. Gentle and kind, Lennie nevertheless does not understand his own strength. His love of petting soft things, such as small animals, dresses, and people's hair, leads to disaster.
Slim	A quiet, insightful man. Big & tall with long black hair. Between 25-30 with large, lean hands.	A leader and highly skilled male driver. At peace with himself. The other characters look to him for advice. Only after Slim agrees does Candy agree to put his dog out of his misery and let Carlson shoot it. Slim understands the bond between George and Lennie, and he comforts George in the bunk's end.
Candy	Old man with a missing hand.	Ranch handyman, Candy lost his hand in an accident and worries about his future on the ranch. Fearing that his age is making him useless, he seizes on George's description of the farm he and Lennie will have, offering his life's savings if he can join George and
