Microtravel Charles Forsdick, Zoë Kinsley, Kate Walchester, 2024-06-04 The 2020 COVID 19 pandemic imposed immobility on large sectors of the world's population with confinement becoming an everyday reality The lives of those who previously enjoyed the privileges of being fast castes ground to a halt while at the same time the displacement of more vulnerable populations along well established migration corridors has been radically reduced The result has been a recalibration of the scale of journeying with travellers slowing down their journeys and readjusting their relationship to the proximate and nearby This situation has provided an opportunity for those who study travel and travel writing to rethink their objects of study and approaches to them This volume explores and historicizes the phenomenon of microtravel designating slower journeys within a limited radius which allow and sometimes necessitate new forms of experiencing the world

Adventure and Society Simon Beames, Chris Mackie, Matthew Atencio, 2018-12-28 This undergraduate textbook provides a broad overview of the ways in which adventurous practices influence and are influenced by the world around them The concept of adventure is one that is too often tackled within subject silos of philosophy education tourism or leisure While much of the analysis is strong there is little cross pollination between disciplines Adventure Society pulls together the threads of these discourses into one coherent treatment of the term adventure and the role that it plays in human social life of the 21st century It explores how these practices can be considered more deeply through theoretical discourses of capitalism identity construction technology and social media risk taking personal development equalities and sustainability As such the book speaks to a broad audience of undergraduate and postgraduate students across diverse subject areas and aims to be an accessible starting point for deeper inquiry

My Microadventures Leo Vollgeherzt, 2019-03-04 Just out in the nature Camping in the town park by bike overnight in the next big city hiking to the place of childhood with the canoe taking a very different perspective on the landscape Where time is lacking for great experiences in far off lands the concept of microadventure also lets you escape from everyday life and enjoy nature Let s face it who knows the nature and wilderness in its local area REALLY This fill in album allows you to write down the hopefully numerous small excursions and unconventional short experiences and to capture them in writing and pictures So you can later restore the feeling you had during the microadventure by looking at the information about the experience and the glued photos and reminiscing The happy moments in the night under the open sky on the hill of neighboring village or the hike to the hidden champions under the nearby forests can be reminded so sustainable A must have for every nature lover and deceleration oriented urban dweller and therefore ideally suited as a gift Please feel fully cuddled Yours Leo Vollgeherzt
