

The background of the cover is black, featuring a complex, glowing biological structure in shades of yellow, orange, and red. This structure consists of numerous interconnected, rounded, translucent-looking components that resemble cells or spores, some containing internal filamentous or granular details. The overall appearance is that of a microscopic organism or a network of cells, possibly a fungus or a complex bacterial colony. The title 'MICROBIOLOGY' is prominently displayed in the upper center, with 'MICRO' in yellow and 'BIOLOGY' in white. Below the title, the subtitle 'AN INTRODUCTION' is written in a smaller, grey font. The authors' names are listed in white on the right side, and the edition information is at the bottom right. A small white logo with a black 'P' is in the bottom left corner.
