If that wasn't strange enough, a Connecticut college student asks for Kat's assistance in finding his mother, who has mysteriously gone missing. On top of that, he asked for Kat in particular. How does he even know her? Need more? Kat visits the contract killer who is rotting away in prison for murdering her father, a man who is now denying his involvement. Who can Kat trust? The twists in *Missing You* are literally stacked on top of one another, which creates a pulsating ride for Coben fans. Not that the author needs help, but this review also details an alternative outcome that might have added even more miles to this thrill ride.
