THE GENERAL PRINCIPLES OF LAW AND THEIR EXCEPTIONS Simisola Olajide Adedambo, 2025-10-12 ABOUT THE BOOK This book as the name implies focuses on the general principles of law that bind persons chattels properties etc and if such persons chattels properties are not bound by the law it means such cases are exceptional and to this end this book covers extensively the principles of law and their exceptions It is a must have for law students as it comprises both compulsory and elective courses ranging from 100 300 level Vol 1 on both civil and Islamic law which includes the Nigerian Legal System Constitutional Law Law of Contract Commercial Law Criminal Law Administrative Law Maritime Law Law of Tort Medical Law Conflict of Law Intellectual Property Law Islamic Law of Contract Islamic Law of Tort Islamic Criminal Law which will give both the students wide knowledge about the Nigerian law throughout their stay in the university This book being a substantive law is important to the understanding of the theory of civil criminal and Islamic law whereas knowledge of civil criminal and Islamic litigation is not important to the understanding of the theory of civil criminal and Islamic law therefore it is also recommended for practicing lawyers benchers researchers investors and foreign law students who intend to be called to the Nigerian Bar law enforcement officers and the general public **LEADERSHIP AND**

ORGANISATIONAL PERFORMANCE Dr. Godwin C. Arikibe, 1901 Leadership is inherent in every being despite one's job profile But qualitative training and other traits are very important for the right behaviours Every follower possesses attribute of a leader but because these are somewhat concealed to lead effectively becomes a huge challenge to many This book is as a result of many years of research It focused on discovering those behavioural attributes that could combine effectively with the leader's competing roles to enhance his performance A Competing Value Framework CVF was applied to understand the leadership behaviours characteristics attributes and roles that could influence a leader even in the face of contingency factors The result was quite revealing Leaders that combine their roles with other attributes skills achieve behavioural complexity which are performance enhancing behaviours Furthermore leaders are distinguished by their unique mental attitude particularly in four roles they play motivation vision analytic and task master roles Combination of these with other attributes and characteristics enhances the leadership complexity This book is a useful material for those in the ministries academia and organisations of different sizes It's a book every leader must possess to comprehend the behavioural complexities relevant for organisational performance More Constitutional Dimensions of Contract Law Luca

Siliquini-Cinelli, Andrew Hutchison, 2019-06-24 This second volume on the constitutional dimension of contract law explores this increasingly relevant subject in jurisdictions that are usually overlooked by mainstream scholarship in the English speaking world With chapters on Finland and other Nordic Countries from a comparative perspective Spain Japan Somalia Nigeria Brazil and Peru the contributions presented here offer much needed context informed insights on whether and if so why how and to what extent the development of contract law is being influenced by constitutional values and fundamental

rights issues or vice versa The book represents a valuable addition to comparative law literature on the interplay between public i e constitutional and private i e contract law by revealing the inner dynamics through which these two branches interact and at times inform each other whilst also enhancing our understanding of the law s nature function and transformative potential at the macro meso and micro levels

FIDIC Contracts in Africa and the Middle East Donald Charrett,2023-09-20 FIDIC contracts are the most widely used contracts for international construction around the world and are used in many different jurisdictions both common law and civil law For any construction project the General Conditions of Contract published by FIDIC need to be supplemented by Particular Conditions that specify the specific requirements of that project FIDIC Contracts in Africa and the Middle East A Practical Guide to Application provides readers with detailed guidance and resources for the preparation of the Particular Conditions that will comply with the requirements of the laws that apply to the site where the work is carried out and for the governing law of the contract for a number of the jurisdictions in which FIDIC contracts are or can be used This book closely follows the format of The International Application of FIDIC Contracts Each jurisdiction features an outline of its construction industry and information on the impact of COVID 19 on both the execution and operation of construction contracts This book is essential reading for construction professionals lawyers and students of construction law

Handbook on Law, Innovation and Growth Robert E. Litan,2011-01-01 This Handbook provides breakthrough analyses on an important cutting edge topic the connections between the legal system both in substance and process and innovation and growth Arguably the most important intellectual development in legal scholarship and judicial decision making over the past four decades has been the increasing use of economic modes of analysis in legal reasoning The Handbook on Law Innovation and Growth sheds new light on the linkages between innovation growth and the legal system answering questions that will help policymakers better understand and implement the law in an effort to advance economic welfare This Handbook brings together many prominent scholars to examine the features of the legal infrastructure that affect both innovation and growth Individual chapters explore different legal subject areas in most cases offering recommendations for rule changes that could accelerate growth primarily in the context of the US economy The introductory chapter cohesively ties all of the contributions together and explains why it is time for legal scholarship and research to move in a new direction Surpassing other literature on the subject this landmark Handbook is certainly a critical volume for any student or scholar of law and economics
