Look at what some students had to say after using our practice exams: I just wanted to let you know that I was preparing for the exam and took a practice exam and only made a 70%. I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly, I purchased your product, a practice exam, and the strategies to pass before sitting for the exam. I received my results yesterday: I PASSED. I used all of the strategies you recommended: time management, highlighting, etc., which made all the difference in the world. Thank you so much. Heather T. Great practice test. I passed the AAPC test the first try. Natalia. Great guide. It helped me pass the Certification Exam the first time. Dianne L. Bartos. This book was well worth my money. The exam tips were absolutely golden. No video on YouTube can compare to the tips this book contains. When taking the actual exam, I applied all of the tips that I had learned from this study guide. It helped me to manage my time well. Thanks to this study guide and a lot of studying and a lot of prayer, I was able to pass the real exam with an 81 on my first try. I highly recommend this if you are looking to take the test soon. Gia Q. This is very good. I used your practice exam bundle and passed the first time. I also recommended this to others preparing for the test in our organization. They ordered and felt it was of great value. I especially appreciated the
