Pneumatology S:

Pneumatology Veli-Matti Kärkkäinen, 2018-02-20 An internationally respected scholar offers a biblical historical and theological assessment of the doctrine of the Holy Spirit focusing on the ecumenical and contextual experiences of the Spirit This comprehensive review of pneumatology in global perspective examines various theological and denominational understandings of the Spirit assesses key contemporary theologians of the Spirit and inquires into several contextual approaches The new edition has been substantially updated throughout to account for major developments in theology over the past decade and includes added coverage of interfaith issues *Holy Spirit the Paraclete* J. B. Foster, 2016-03-15 Throughout the history of the church people have gone to extreme measures in either shying away from the Holy Spirit or ignoring His authority In many instances some in ministry have overtaken His work under the guise of being led by the Holy Spirit It is as though a spell has been cast over humanity and Christendom has been split into three groups those who have gone mad in search of worldly power and acceptance those who are bewitched by the world after stepping into the twilight zone and a third group who remains steadfast but cautiously silent The attempt to reconcile Enlightenment thought with divine revelation with its attacks against Christianity intentional or not has brought us to this point However for all of man s plans to understand God better by tying together human rationality and science Jesus promise to the believer that the very Spirit of God would dwell within has been fulfilled The best gift man could possibly obtain the power of God with His unconditional love is set before us And yet this simple but extraordinary gift escapes the understanding of man who in his own finite wisdom is attempting to replace the only one that can save humanity Foster s work is set to break the spell that has been cast over humanity as she opens the readers spiritual eyes in this study on the least understood Person of the Godhead This war cry is sounded to awaken those that sleep and to encourage them to arise from the dead for Christ shall give them light How foolish of man to be caught at war under attack without holy armor This book delivers an on time warfare message concerning the gift of power of the Holy Spirit in the individual life of a believer and the ability to break the spell of the enemy This is only one volume in a series covering a full range of theology examining in traditional systematic fashion Bibliology What is the Bible Soteriology The High Point of Our Salvation and Christology Who Do Men Say I AM Emphasis on the full expression of Jesus Christ in the blood covenant and the infallibility of Scripture while stressing the relevance of key convictions of Christian faith and practice in today s world without prejudice through the lens of historical development preservation testimonials and an examination of reasons to trust the Bible A step beyond traditional study with several distinctive features to simplify and attract the mildest of interests a Clear writing targeted for precision b technical terms b relaxed tone appealing to various audiences c scriptural basis for doctrine d a contemporary edge e reflective quotes This work includes an extensive bibliography and common glossary designed to promote further reading and appreciation for Systematic Theology and critical thinking **Pneumatology: A Guide for the Perplexed** Daniel Castelo, 2015-05-21 This

guide aims to elaborate and constructively engage some of the ongoing dogmatic challenges within the field of Christian pneumatology Rather than a strict survey the book largely represents a collection of working proposals on a number of relevant themes including cosmology mediation the nature and role of Spirit baptism and discernment For those who have found pneumatology frustrating and confusing the book can serve as an aid to clarify some of the most crucial matters at stake in the doctrine of the Holy Spirit and in turn provide some ways forward amidst the morass of possibilities available

The Shape of Pneumatology John McIntyre,2004-07-01 Addresses one of the most difficult aspects of the doctrine the heterogeneity of the biblical and traditional material from which it is derived and points to the areas where church must act to recover the sense of the immediacy of the Holy Spirit Teaching and Understanding Pneumatology & Spiritual Gifts Elijah E. Dunbar,2009-05-22 The geographical extent of the orient and occident is a validation of the cultural and ideological differences that have existed with constancies between the two hemispheres throughout the ions of time Ideological pluralism has been the common practice of the inhabitants of both spheres but with unique manifestations Christianity along with other religions are warmly embraced and pragmatically characterized by the orientals and occidentals with reserved peculiarities Oriental Christians viewed pneumatology as being a significant particle of their theological and liturgical lives while Occidental Christians see Christology as the primal substance in Christianity Although both groups have a history of singling out this distinction over the years theologians and theology have helped both sides understand the importance of both pneumatology and Christology in Christianity It is concertedly understood that neither of the two can be studied or taught without the other Their inseparable existence makes Christianity a complete whole The authors exploration and literary expedition through myriad of sources allow him to compile data relevant to understanding the importance of the Holy Ghost and Spiritual gifts within the Christian community Whether a secular or non secular intellectual you will find the information in this book to be rewarding resourceful and informative You will come across comments from some of humanitys and Christendoms finest and brightest academics in an eclectic form Join the author now on his literary expedition Welcome
