Terry C. Jones

Sample In Basket Exercise Project Planning Full Online:

In Pursuit of Performance Patricia W. Ingraham, 2007-04-15 Based on five years of extensive research by the Government Performance Project this volume offers a comprehensive analysis of how government managers and elected officials use management and management systems to improve performance Drawing on data from across the nation it examines the performance of state county and city governments between 1997 and 2002 within the framework of basic management systems financial information human resources capital and infrastructure and results evaluation Key issues addressed How governments strategically select elements of management to emphasize the role of leadership How those governments that aim to improve performance differ from those that do not What effective management looks like Through this careful in depth investigation the contributors conclude that the most effective governments are not those with the most resources but those that use the resources available to them most carefully and strategically In Pursuit of Performance is an invaluable tool for government leaders and the scholars who study them

Technology-Enhanced Assessment of Talent Nancy T. Tippins, Seymour Adler, 2011-03-29 This volume provides anyone using technology enhanced assessments as part of organizational selection promotion or development programs or considering their use with both cutting edge discussions of critical measurement issues and detailed examples of ongoing HR systems that highlight the opportunities and challenges of such assessments James L Farr professor Department of Psychology Pennsylvania State University Assessment systems provide an efficient means to evaluate and deploy talent across our global business Technology Enhanced Assessment of Talent highlights the science behind these technologies as well as cutting edge solutions shown to be effective in running the talent side of business David A Rodriguez Ph D executive vice president Global Human Resources Marriott International Inc The Jossey Bass SIOP Professional Practice Series was launched in 1988 to provide I O psychologists organizational scientists and practitioners human resources professionals managers executives and those interested in organizational behavior and performance with volumes that are insightful current informative and relevant to organizational practice The volumes seek to inform those interested in practice with guidance insights and advice on how to apply the concepts findings methods and tools derived from industrial and organizational psychology to solve human related organizational problems
