## **Samuel Beckett Company:**

**The Making of Samuel Beckett's Company/ Compagnie** Georgina Nugent-Folan, 2021-02-25 An examination of original manuscripts for Samuel Beckett's Company Compagnie that considers relationship between the English original and the French translation

**Nohow On** Samuel Beckett, 2014-11-11 The three pieces that comprise this volume are among the most delicate and disquieting of Samuel Beckett's later prose Each confined to a single consciousness in a closed space these stories are a testament to the mind's boundless expanse In Company a man one on his back in the dark hears a voice speak to him describing significant moments from his lifetime and yet these memories may be merely fables and figments invented for the sake of companionship Ill Seen Ill Said tells of a solitary old woman who paces around a cabin burdened by existence itself And Worstword Ho explores a world devoid of rationality and purpose containing the famous directive Try again Fail Again Fail Better The quintessential distillation of Beckett's philosophy on human existence and the ultimate example of his minimalist approach to fiction Nohow On is a vital collection concerned with conception and perception memory and imagination

**Beckett's Co-authors** S. E. Gontarski, 2025-06-30 Beckett's Co authors takes a fresh look at Samuel Beckett and the business of authorship especially his involvement in the complicated machinery of commercial theatre Focusing particularly on Beckett's first professionally produced play Waiting for Godot and its premieres in the US UK and the Republic of Ireland this book examines extra authorial interventions into the creative process and how such interventions challenges the autonomy of the author and his artwork Calling the result of these early collaborations co authorship S E Gontarski delves into the hybrid genre of theatre where collective aesthetics tends to override and thus supersede individual creation using the methodology of archival archaeology to uncover previously unpublished letters and unknown archival documents relating to three national premieres These case studies nevertheless have implications far beyond a single theatrical work placing a spotlight on the nature of authorship and the process of realising dramatic texts in a monetised culture

**IN THE DIM VOID** Gregory Johns, 2016-10-03 IN THE DIM VOID SAMUEL BECKETT'S LATE TRILOGY COMPANY ILL SEEN ILL SAID AND WORSTWARD HO by GREGORY JOHNS This book considers Samuel Beckett's 1980-83 trilogy of short texts Company Ill Seen Ill Said and Wortstward Ho otherwise known as the Company or Nohow Trilogy published not long before Beckett's death in 1988 These are dense complex allusive highly lyrical and emotional pieces which contain many of Beckett's key philosophies and approaches to writing Includes photographs of Samuel Beckett and his plays and a bibliography ISBN 9781861715616 REVISED AND UPDATED This new edition has been completely revised Also available in hardback [www.crmoon.com](http://www.crmoon.com) EXTRACT FROM CHAPTER ONE The emotional core of Company is a nostalgic yearning manifested in those vignettes or memories which some see as having correlations with Beckett's own life so that Company is the closest thing in the Beckett canon to autobiography Certainly many of the sections in Company have the whiff of autobiography but these are memories mediated edited shaped compressed and transformed by Samuel Beckett's various

voices For in Company we find a narrator a voice a remembering self in fact a complex hierarchy of various levels of consciousness and self consciousness Some of the passages are Beckett at his most lyrical his most self indulgently lyrical one might add for no sooner is lyricism evoked than it is stamped out Ornamental writing is detested by Beckett yet he can be as poetic in the ecstatic sense as any other poet Here is a powerful sequence from Company the light there was then On your back in the dark the light there was then Sunless cloudless brightness You slip away at break of day and climb to your hiding place on the hillside A nook in the gorse East beyond the sea the faint shape of high mountain Seventy miles away according to your Longman For the third or fourth time in your life The first time you told them and were derided All you had seen was clod So now you heard it in your heart with the rest Back home at nightfall supperless to bed You lie in the dark and are back in that light Straining out from your nest in the gorse with your eyes across the water until they ache You close them while you count a hundred Then open and strain again Again and again Till in the end it is there Palest blue against the pale sky You lie in the dark and are back in that light Fall asleep in that sunless cloudless light Sleep till morning light 20 This memory sequence is a kind of ecstasy An everyday sort of ecstasy perhaps but even Beckett s rigorous control of language and his hyper realist outlook on life cannot hide the joy in this passage For there is joy in Beckett s art though always as in Thomas Hardy s fiction very brief joy soon smothered by all manner of other concerns AUTHOR S NOTE The late trilogy of short prose works the Nohow or Company trilogy is a beautiful lyrical work from Samuel Beckett which I have explored in I hope is an informative and insightful manner I have revised the text throughout and have also brought the bibliography and references up to date IN THE DIM VOID CONTENTS 1 Into the Darkness Company 2 What When Words Gone Beckett and Language 3 In the Zone of Stones Ill Seen Ill Said 4 Sometimes in the Light of the Moon Magic and Ritual in Ill Seen Ill Said 5 No Words Left Worstward Ho 6 From Void to Void Beckett and Philosophy Illustrations Bibliography

**The Company We Keep** Lynne E. Dettore,1998 [Unwording the World](#) Carla Locatelli,2016-11-11 This comprehensive study of Beckett s art proposes a doubly contextualized reading of his later works Carla Locatelli reads late Beckett through his previous writings and relates them to the literary philosophical and critical community which surrounds him To appreciate his contribution as an epistemological rhetorician she proposes a multidisciplinary approach that draws upon a remarkably wide range of theorists including Kierkegaard Husserl Heidegger Peirce Jakobson Deleuze Lacan and Derrida In Part One of this study Locatelli traces the evolution of Beckett s writing proposing that his principal concern devolves more and more upon the essential character of representation and its role in the constitution and signification of the subject Part One also provides a history of this thematic showing how Beckett s writing effects a radical displacement of representation from function to object of discourse In Part Two Locatelli focuses on Beckett s fiction after the Nobel Prize of 1969 and on the epistemological and aesthetic issues in Company 1980 ill seen ill said 1981 and Worstward Ho 1983 She examines his unwording in this Second Trilogy and defines it as a process of subtraction that probes into the most basic

mode of our being in the world Here Beckett proposes as Locatelli suggests a very real hermeneutics of experience beyond the schools of suspicion which are still influencing some postmodernist thinking This volume will be of particular value to scholars and students of twentieth century English literature French literature and literary theory **Company** Samuel Beckett,1980 Mijmeringen van iemand die naar gezelschap zoekt en daartoe zich van alles inbeeldt om samen te kunnen zijn

The (re-)composition of Samuel Beckett's *Company* Georgina Nugent-Folan,2020 **Ireland at War and Peace** Alison O'Malley-Younger,John Strachan,2011-01-18 The essays in this collection examine Ireland at war and peace from the Revival period to the present day examining key aspects of Irish literature and history culturally rich but politically turbulent from the late nineteenth century to the early twenty first century Ireland at War and Peace examines important social political and aesthetic contexts which have shaped modern Irish society and culture from the First World War and the Easter Rising of 1916 through to the Troubles and beyond A key focus is on the ideological and artistic significance of Irish culture in a wide sense the volume includes essays on the cultural significance of commodity culture and advertising in Ireland images of the child in Irish culture the importance of the horse in the Irish imagination and the manner in which narratives of eighteenth and nineteenth century Irish uprising execution and imprisonment informed Irish theatre both before and after the 1916 Uprising The book s dual focus is exemplified in its opening essays on Padraig Pearse as both rebel rousing separatist polemicist and Volunteer leader and on his related careers as dramatist story writer and educationalist Subsequent essays deal with Yeats and the Easter Rising consumer culture in James Joyce s *Ulysses* the riotous reception afforded J M Synge s *Playboy of the Western World* and Sean O Casey s *The Plough and the Stars* and Samuel Beckett s vexed relationship with his homeland There are also important essays here on the contemporary Irish writers Seamus Heaney and Deirdre Madden The focus of the collection is wide ranging from canonical literary figures such as Joyce Beckett and Yeats modern day authors such as Heaney Paul Muldoon and Nuala N Dhomhnaill through to popular cultural phenomena from Dion Boucicault s nineteenth century melodrama *Robert Emmet* to Alan Parker s movie of Roddy Doyle s *The Commitments* and that great Irish sitcom *Father Ted*
