Christian Green, Faith Kabata, Fortune Sibanda,2022-12-31 The Covid 19 pandemic was global in its spread and reach as well as in its medical social and economic effects In many respects the global effort to flatten the curve produced a flattening of experience around the world and a striking coincidence of similar experiences in countries the world over The identity simultaneity and uniformity of experience were also manifest in common concerns at the intersection of law and religion in many nations around the world including Africa The lockdowns and closure of religious worship centres churches mosques and religious organisations of all sorts raised questions of freedom of religion and the related concern for freedom of assembly along with concerns about the relation of religion to science and public health religious channels of communication and religious provision of social services After all health communications and social services are all areas in which African religious organisations play key roles Potential tensions around these issues raised further considerations about the nature of religion state relations the status of religious authority and whether religious and state actors would work together or at odds in addressing the Covid 19 pandemic *Literature and Culture in Global Africa* Tanure Ojaide,2017-07-06 Exploring the idea of a Global Africa this

Innovation and Competition in Zimbabwean Pentecostalism Ezra Chitando,2021-01-28 Using the concept of a religious market this volume explores how African Traditional Religions and churches within Prophetic Pentecostalism in Zimbabwe seek to attract and retain members and clients Chapters provide extensive coverage of two of the leading churches namely Emmanuel Makandiwa s United Family International Church UFIC and Walter Magaya s Prophetic Healing and Deliverance Ministries PHD Contributors also explore the strategies adopted by Pentecostalism in general while others focus on African Traditional Religions They show that although Prophetic Pentecostalism has gained a significant share of the market in Zimbabwe and in Southern Africa in general it is not without controversy In particular it has been associated with the abuse of women and exploiting members and clients for financial gain Innovation and Competition in Zimbabwean Pentecostalism is an important contribution to understanding the marketization of religion

Islamism vs. the West Daniel Pipes,2023-10-24 The war on terror wars in Iraq and Afghanistan the Arab Israeli conflict again and again in the twenty first century crises coming out of the Middle East confront and puzzle Americans Daniel Pipes has to much acclaim been explaining the region since the 1960s The Wall Street Journal considers him an authoritative commentator on the Middle East and the Washington Post deems him perhaps the most prominent U S scholar on radical Islam The New York Times calls him smart and well informed In this volume Daniel Pipes tackles many questions Are Muslims truly fatalistic as their reputation holds Is radical Islam still on the rise or is it declining Why are substantial numbers of Iranian Muslims converting to Christianity Which American city has emerged as a global center of criminality with female coverings as accessories Why does tension exist between the Jews of Europe and Israel How did it happen that Israel is the only country in the world that did not come into existence through conquest Why are Muslim countries the hold outs in eradicating polio In the skilled hands of a leading Middle East authority these topics come to life as Daniel Pipes explains much about the world s most volatile region

Times educational supplement Scotland and the Times higher education supplement **TB Joshua** Monday Ogwuajo Ogbe,2019-05-09 TB Joshua The Misunderstood Misrepresented Prophet at SCOAN Never a time like our time has the church being so divided on diverse metrics than now We see each other as rivals rather than brethren We spend too much time arguing over scripture the right or the wrong denomination doctrines creed who is a man or woman of God and who isn't who is a devil and who is a saint Most believers usually only have fellowship with those in their own church or group This segregation is divisive to the detriment of the singular mandate Jesus gave every believer to go out and make disciples of all nations teaching them to obey all that He has commanded us Matthew 28 19 20 The early church was one this was Jesus prayer for his church in John 17 21 23 Let's spend the time that we spend fighting each other by showing the love of Christ giving our time to helping others supporting the church as commanded The assignment of making disciples of all nations cannot be handled by one ministry even if it has 2 billion members Every part has a function that others can't supply effectively The eye is not the leg and the leg is not the hand Each part of the body of Christ is optimized for a particular function that displays the diversity of our heavenly Father I have written this book TB Joshua the misunderstood and misrepresented prophet at Synagogue Church of All Nations SCOAN to draw us to the need to extend a hand of fellowship with SCOAN and our brothers and sisters in other fellowships around the world This cannot happen without knowledge of the ministry Only in knowledge can understanding come I met TB Joshua one on one in April 2010 in his office and have fellowshiped with the ministry more than three times This is driven by our burden in otakada.org to see the body of Christ united in spirit By the time you are done reading this book you will gain information you never had before on the need for unity as shown to me by Christ on the 22nd of April 2006 You will be desirous to engage other ministries like SCOAN as you will see the need to open channels of communication with other ministries beyond your own so that you will be an answer to Christ's prayer on unity because of your selfless action to engage lovingly with other brethren Monday Ogwuajo Ogbe Now let's put this all together Jesus prayed in John 17 that the Body of Christ would be united with the Godhead in the same way that He Himself is united with His Father The implication is that when people see us they have seen the Father And if they don't believe us on account of our words they should believe us on account of our works because we are to do greater works than Jesus did That is the kind of unity that will cause the world to know that the Kingdom of God has come near them Kris Vallotton **The Man Called T. B Joshua** Peter Olise-emeke,2016-09-11 If anyone seeks or desires greatness let him think about Christ and the achievers let him love and embrace them for a man's life is in his own word As you read now expect your healing deliverance breakthrough in every area of your life for the salvation of your soul in Jesus' name Everything written about him here in this book is applicable to those who believe and desire greatness This book is written by the grace of God about a great man in the history of mankind I have set as a mirror before my face since the general mirror used by man cannot give me the true picture of myself because it can only show me my outside He is a man whose life and
