Compact Bedford Introduction to Literature, 9th Ed. + Writer's Help (2 Year Access) Michael Meyer, Diana Hacker, Stephen A. Bernhardt, Nancy Sommers, 2011-05-23 **The Bedford Introduction to Literature 9th Ed + Literature Aloud** Michael Meyer, 2010-02-01 **The Compact Bedford Introduction to Literature**, 1993 *The Bedford Introduction to Literature* Michael Meyer, 2008

The Bedford Introduction to Literature responds to the teaching and learning needs of all kinds of literature classrooms and composition courses where literature is a focus. Author Michael Meyer understands that a particular challenge for instructors is that students do not necessarily see literature as relevant to their lives. They may be new to the study of literature, may have difficulty reading it, and may lack confidence in their critical abilities and writing skills. With these factors in mind, Meyer has put together a lively collection of stories, poems, and plays from many periods, cultures, and themes, with voices ranging from the traditional to the latest and hottest contemporary authors. As an experienced anthologist and instructor of literature, Meyer has a knack for choosing enticing selections, including humorous works and readings from popular culture that students both enjoy and respond to. Complementing this unparalleled collection are proven editorial features that offer students real help with reading, appreciating, and writing about literature. The Bedford Introduction to Literature is a book designed to bring literature to life and to make students life-long readers.

A bold call for the American Left to extend their politics to the issues of Israel/Palestine from a New York Times bestselling author and an expert on U.S. policy in the region. In this major work of daring criticism and analysis, scholar and political commentator Marc Lamont Hill and Israel/Palestine expert Mitchell Plitnick spotlight how holding fast to one-sided and unwaveringly pro-Israel policies reflects the truth-bending grip of authoritarianism on both Israel and the United States. *Except for Palestine* deftly argues that progressives and liberals who oppose regressive policies on immigration, racial justice, gender equality, LGBTQ rights, and other issues must extend these core principles to the oppression of Palestinians. In doing so, the authors take seriously the political concerns and well-being of both Israelis and

Palestinians demonstrating the extent to which U S policy has made peace harder to attain They also unravel the conflation of advocacy for Palestinian rights with anti Semitism and hatred of Israel Hill and Plitnick provide a timely and essential intervention by examining multiple dimensions of the Israeli Palestinian conversation including Israel s growing disdain for democracy the effects of occupation on Palestine the siege of Gaza diminishing American funding for Palestinian relief and the campaign to stigmatize any critique of Israeli occupation Except for Palestine is a searing polemic and a cri de coeur for elected officials activists and everyday citizens alike to align their beliefs and politics with their values
