investors This updated edition of the investing classic provides the foundational knowledge you need to avoid the most common pitfalls and build a portfolio in today's roller coaster world of investing Retired neurologist and master investor William J Bernstein has seen it all throughout his career Buying investments with borrowed money Chasing past performance Overestimating one's own risk tolerance Listening to cable news These are just a few of the many mistakes he has witnessed smart serious investors make to the peril of their portfolios Add to these behavioral errors such economic factors as deflation sudden stock declines soaring inflation and the like and investing can seem like something to be avoided at all costs But with the right discipline and knowledge you can build and manage an impressive portfolio It all comes down to understanding four key pillars Theory Risk and return go hand in hand you can't make money without risk History Understand past markets to understand today's markets Psychology Avoid the most common behavioral mistakes that tank portfolios Business The cost of investment services can be high unreasonably high After taking you on a deep dive into each of these topics Bernstein walks you through the process of designing and maintaining a powerful portfolio Times have changed Economies have changed And markets are ever changing But sound investing principles haven't changed Use **The Four Pillars of Investing** to stay a step ahead of your investing peers and build a portfolio to be proud of **Invest Like a Couch Potato** Scott Burns, 2026-02-23 Simple investment strategies to recapture your time and foster financial independence Concise and practical **Invest Like A Couch Potato** is an invaluable guide to personal finance and freedom covering a wide range of subjects from the basic principles of accumulating wealth to developing a mindset free from the pervasive influence of financial propaganda Written by author Scott Burns one of the most prolific and insightful personal finance and investing writers in the country this book does not try to make you the richest man or woman in the world in dollar terms but rather enables you to recapture your time on this planet the ultimate currency we should be focused on Supported by hard data additional resources through Scott's website and tools like the Couch Potato portfolio cookbook this book explores topics including Investment Strategies ETFs low cost compounding and the simplicity of the Couch Potato portfolio If you can fog a mirror you can do it Reports and Rewards Retirement cash balances accumulation differences and the simplicity of superior financial management Moneyporn The seductive yet misleading aspects of financial media and temporary heroes in finance The Big Kahuna Shelter borrowing and health as critical components of financial planning and wellbeing in all dimensions **Invest Like a Couch Potato** is the perfect guide for readers seeking to take control of their financial destiny by simplifying investment strategies and fostering a resilient independent mindset **The Bogle Effect** Eric Balchunas, 2022-04-26 The index fund wouldn't be Jack without Jack It was just one innovation fueled by The Vanguard Group founder Jack Bogle's radical idea in 1975 to make investors the actual owners of his new fund company While the move was as much to save his job as it was to save investors the end result was powerful a fund company for the people and by the people Bogle began a 50 year process of lowering costs inch by inch which ultimately unleashed a populist revolt that has saved average investors trillions of dollars while reforming and right

sizing much of the entire financial industry Today nearly every dollar invested in America goes to either Vanguard funds or Vanguard influenced funds But Bogle s impact and this great cost migration reaches well beyond index funds into many other areas such as active management ETFs the advisory world quantitative investing ESG behavioral finance and even trading platforms The Bogle Effect takes readers through each of these worlds to show how they and the investors they serve are being reshaped and reformed While hundreds of fund providers have copied the index fund that Vanguard made popular no one is yet to copy its mutual ownership structure Why This book explores that question as well as what made Bogle such an anomaly seemingly immune to the overwhelming magnet of ambition that dictates Wall Street made famous by movies like Wall Street The Big Short and The Wolf of Wall Street On the flip side Bogle wasn t perfect by any stretch he could be moralizing cantankerous and tended to make virtue out of necessity The Bogle Effect is animated by the author s hours of one on one exclusive interviews with Bogle in the years before he passed which reveal his philosophy vision intellect and humor Dozens of additional interviews with people who worked with him lived with him were influenced by him and disagreed with him round out a portrait of this revolutionary figure You will never look at the financial industry or your portfolio the same way again
