

A sunset over a body of water with a bright vertical beam of light shining down from the sky. The sun is low on the horizon, creating a long, shimmering reflection on the water. The sky is a mix of blue and orange. In the foreground, there are dark silhouettes of rocks and some sparse vegetation.

Albert Moritis, Killian Kpogoh, Killian Kpogoh Sdb, 2016-08-24 In the parable devoted to mercy Jesus reveals the nature of God as that of a Father who never gives up until he has forgiven the wrong and overcome rejection with compassion and mercy We know these parable well these in particular the lost sheep the lost coin and the father with two sons c f Lk 13 1 see the care 32 In these parables God is presented as full of joy especially when he pardons In these scriptural text we see the care of our faith and of the gospel showing mercy as a force that overcomes everything and filling the heart with love and consolation through pardon But today one of the issues most of us fail to understand taking for granted in Christendom is the mercy of God We fail to cognize why the uncompromising God tempers justice with mercy on our behalf whilst we wallow in sin We fail to know that to whom much is given much is expected In this book Jesus warns us to be careful so as not to become like the ruthless servant in Matthew 18 21 35 whose master had pity on him cancelled his debt and let him go But when went out and found one of his debtors decided to have no mercy on him It is in this light that the authors exhort that since God has been merciful to us we too much be merciful to others especially in our judgements *The Reform Advocate*, 1915 **The Works of President Edwards** Jonathan Edwards, 1879
