The truth is, as successful as we are as working moms, we all sometimes feel like a hot mess. We take care of our businesses, clients, staff, and projects, and then return home to take care of the demands there. At the end of the day, so many responsibilities fall on our shoulders. At times we screw up, but we do the best we can. And that is wonderful. You are wonderful. But you don't just need cheerleaders or concepts for empowerment. You need real tools to help you ease the struggle and make changes in your business and in life. That is what author Clara Capano, a sought-after speaker, coach, podcast host, and blogger, provides. In this book, Clara will help you develop healthy boundaries as a working mom, communicate effectively in both business interactions and relationships on the home front, create a foundation for self-care, realize the power of your vision and how to communicate it, and establish a mindset to keep you focused, purposeful, and passionate. The positive changes that working moms make will impact generations. As we improve ourselves and our lives, we also improve the lives of our families, friends, and clients. We might not be able to have it all today, but we can still have it all. It may simply take time.
