Ng Kerk Liedboek:

The Jesus trilogy: Critical reflections on Jesus' divinity, ascension and resurrection Chris Jones, 2025-12-05 The Jesus trilogy Critical reflections on Jesus divinity ascension and resurrection brings together three deeply reflective theological essays that challenge and reimagine some of the most enduring assumptions about the person and work of Jesus of Nazareth Written by Chris Jones this scholarly yet accessible collection invites readers into an honest critical and compassionate pilgrimage focused on central Christian doctrines not to undermine faith but to recover its depth integrity and human significance The trilogy originated from the suspension of Dr Peter Nagel by the Dutch Reformed Church following his thought provoking article Problematising the Divinity of Jesus Why Jesus is not 2019 In defending Nagel Jones began a theological exploration that developed into three interconnected essays The first in this trilogy of essays examines the question of Jesus divinity tracing how a metaphorical understanding of Son of God gradually evolved into an ontological dogma that risks overshadowing the humanity of Jesus The second essay reflects on the ascension through dialogue with the late Emeritus Professor Andries Gideon van Aarde whose critical yet faithful scholarship deeply shaped Jones s thought The third written in memory of Van Aarde explores the resurrection as a metaphor for spiritual transformation and renewed human consciousness rather than a literal physical event Drawing on biblical scholarship philosophy and historical theology The Jesus trilogy argues that Christian faith and ethics should be rooted not in metaphysical speculation but in the radical humanness and moral vision of Jesus His message of mercy justice and inclusivity remains as relevant and transformative today as it was in the first century By recovering Jesus ethical and spiritual message from the layers of dogmatic tradition Jones offers a compelling contribution to contemporary Christological discourse This book will engage theologians clergy and all studious readers seeking a faith that is intellectually honest ethically grounded and spiritually alive **Reformed**

Human,C.J.A. Vos,2004-12-01 This book offers unique insights into the Psalms and sketches a variety of interpretive possibilities The exposition of Psalm texts against the background of their different historical and or cultic settings in the ancient Near East sets a firm basis for their reapplication in the liturgy today In the history of interpretation the Psalms have also proven themselves to be natural texts for liturgical use This scholarly effort thus portrays in various ways the importance of the Psalms for their reviving interpretation and application in the liturgy Contributors include Marcel Bernhard Georg P Braulik Brian Doyle Alphonso Groenewald Dirk J Human Jorg Jeremias Louis C Joner Jurie H le Roux Eckhart Otto Nick A Schuman Stephanus D Snyman Hans Ulrich Steymans Pieter M Venler and Cas J A Vos JSOTS 410

The Belgic Confession Albert J. Coetsee,Sarel P. van der Walt,D Francois Muller,2023-10-31 This book investigates the contemporary relevance of the Belgic Confession The book groups the 37 articles of the Belgic Confession together to cover the confession in 12 chapters alongside an introductory chapter The emphasis of the publication falls on two aspects 1 providing a scope of contemporary theological ethical and general issues and possible controversies regarding the content of the Belgic Confession and 2 formulating ethical perspectives and guidelines from the Belgic Confession that may assist in the building of societies Where applicable chapters also discuss the history of the text of the Belgic Confession the organic unity between the articles of the Belgic Confession a dogma historical perspective on the development of the doctrine content of the Belgic Confession and the relationship between the Belgic Confession and other confessions Enfold me with your love, Lord Nina Smit,2011-09-13 *Enfold Me with Your Love Lord* contains 366 brand new devotions by the well loved author Nina Smit Each month she focuses on a particular way in which to live more closely in the presence of God and to deepen

your relationship with Him Each month has a special introduction and each day s devotion directs you to relevant Scripture and offers a pertinent and moving prayer Monthly themes include With God in Your Workplace The Power of Words Turbulent Times Steps to Happiness Matters of the Heart Psalms and Hebrews Dirk J. Human,Gert Jacobus Steyn,2010-10-28 The reception of early Jewish Israelite texts in early Christianity provides valuable insights into the hermeneutics of ancient authors and studies in this regard are vital for an understanding of their theology ies By focusing particularly on the reception of the Psalms through the hand of the unknown author of Hebrews Old Testament and New Testament scholars combine forces in this collection to determine the shifts in interpretation of the Psalms that took place during the processes of re interpretation within the work of a particular early Christian writer By paying careful attention to the original reading s of the text versions utilized as well as to the manner in which those texts were embedded in a later literary context by the author of Hebrews they provide a window into the trajectories of the Psalm traditions A contextual contribution illustrates the versification of the Psalms in a contemporary African language Afrikaans to illustrate how the Psalms reception remains a vivid endeavor in current times Homo Florens? Nadia Marais,2023-10-09 What does it mean to flourish Human flourishing lies at the heart of the good news of the gospel and yet contemporary theologies know not only one way of speaking about what it means to flourish If we embed our theological grammars of flourishing in the doctrine of salvation as the doctrine in which theological flourishing talk is arguably rooted and from which rich fruit may be borne there is not one but various ways in which to speak about what it means to flourish Yet what governs our speaking Why do we speak of flourishing as we do The various conceptions of human flourishing that are outlined in this book piety joy and comfort being fully alive healing and dignity grace happiness and blessing represent a collection of attempts not only to imagine human flourishing but also to imagine ways of speaking about human flourishing Perhaps what theology could offer to the vibrant and robust conversations on human flourishing lies exactly in the reminder to take care about how we speak about that which is truly and deeply human our longing to flourish **Moeisame pad na vernuwing** ,2002 **Dae uit ons geskiedenis** Vriende van Afrikaans,2009 *Liedboek van die kerk* Nederduitse Gereformeerde Kerk,Nederduitsch Hervormde Kerk van Afrika,2001 *Verblyf* Erika Murray-Theron,2007 **Liedboek van die kerk vir gebruik by die erediens en ander byeenkomste** ,2001 **The National Union Catalog, Pre-1956 Imprints** Library of Congress,American Library Association.
